Dear Year 3-6 Parents

The Year 3-6 Information Night will be held in Week 4, on Tuesday, 21 February, commencing at 7:00pm, in the respective Year 3-6 Classrooms.

Year 3-6 Class Teachers and I would like to invite you to share in this important evening, which is always a valuable opportunity to meet the teacher and the other parents in your child’s class. It would be wonderful to have all families represented.

Please note that Term 1 Parent-Teacher Interviews will be scheduled in Week 10, on Monday, 3 April and Wednesday, 5 April. I encourage you to contact your child’s class teacher at any point if you would like to schedule a time to meet individually with them before the end of term.

Class teachers will be sharing important information at the Information Night about class routines, curriculum developments, homework expectations and also practical ways you can support your child along their educational journey through this year.

Please let me know if there are any particular areas you would like addressed at these meetings, so we can make the time as beneficial as possible.

Your attendance and involvement at the Information Night, will help us work together more effectively during this coming year for the benefit of your children and all those in their class, and I would encourage all parents to make every effort to be involved.

It would be helpful if you are able to organise babysitting so that both parents can attend, however, limited child-minding facilities will be provided in the P4 classroom for families who are unable to organise other arrangements. (Please contact Mrs Payne in the Primary Office if you would like to use this facility.)

The Year 3-6 class teachers and I look forward to meeting with you.

Yours sincerely

Graeme Feeney
Head of Primary
