

## The Role of the School Council

The Role of the Scone Grammar School Council is to establish and monitor systems and processes to:

- Establish and review the purpose, values, goals and objectives of the School;
- Set strategic directions for the School development;
- Identify and manage risk;
- Manage performance expectations and monitor achievement against these;
- Maintain financial leadership and management;
- Provide good governance of School resources, sub-committees and associated entities;
- Manage the School within the local environment and the broader School community.
