Dear Parents and Friends of SGS,

Leadership is on our minds this week as we commenced with our Leaders’ Induction Service on Monday. It was a very positive service that encouraged those who have leadership positions and those who are leaders to demonstrate this leadership by following Jesus’ example of servant leadership.

Then the seniors of our school demonstrated leadership at the Secondary Swimming Carnival. They lead by example, participating wholeheartedly in the day, dressing up to create the mood and build house spirit and also actively encouraged an inclusive, have a go attitude. It is wonderful to be able to congratulate all our seniors for their approach to leadership, especially the leaders who were recognised on Monday.

It was great to see many parents attend the Secondary Swimming Carnival on Tuesday. This support for the students is very valuable and encourages them, through your care and interest. Thank you!

Rail and Road Safety
We have spoken to the students across the School and reminded them of safety as they walk or ride their bikes to school following communications that some students are not considering the risks fully on the trips to and from school.

The year has begun very well and I look forward to this continuing.

I would like to warmly welcome all Primary students and parents (new and continuing), as we set out together on another exciting learning journey, at the start of our 2016 school year. We’ve had a wonderful first week and I’m sure there are many adventures ahead for us all to enjoy. A very special welcome to all our new Kindergarten students.

This year, for students in Kindergarten to Year 6, we are implementing the new NSW History syllabus and the new NSW Geography syllabus as part of the new Australian Curriculum, while we continue to teach from the new NSW English, Mathematics and Science syllabus. Teachers will be focussing particularly on developing aspects of ‘Building Learning Power’, and the integration of ICT more effectively across all areas of teaching and learning.

We have an amazing and dedicated staff team! **Primary Staff Allocations** for 2016 are as follows:

We would like to warmly welcome all our new families and our returning families to 2016 at The Yellow Cottage. The year has gotten off to an amazing start. The children are settling in quickly to their new rooms, teachers and routines. We have heard lots of stories about how the children spent their holidays and all the smiling faces have made our days so much fun.

This year at The Yellow Cottage we are having a huge focus on “Collaboration” and “Making Learning Visible”. We want to incorporate family input into programmes as much as we can. You will see in our rooms we have installed brand new white boards. These boards display all our documentation. It will enable families to see photos, the programme, and reflections on the programme and we encourage family input onto these boards. Please take the time to look at these when you pick up and drop off your child, the staff take an enormous amount of time preparing and reflecting and we really want you to be part of this process.

Our digital portfolio system is an integral part of our day. Please ensure you have your “KeptMe” app installed and working. Please see Kirsty if you are having any difficulties. All staff use this platform everyday to share information with you, it is essential that you can access this.

Please remember that our licensed hours are 8.30am until 3.30pm. Our daily programme will run from 9.00am – 3.00pm. The half an hour either side of that is our way of helping accommodate busy/working parents. During this time your children will be supervised in a play situation, as our dedicated staff are preparing/ packing away for the day. Especially in the afternoons as staff use the 3.30-4.00pm time for important planning and reflection meetings.

Don’t forget if you are interested in doing “Amy’s School of Dance” and you are at preschool on Wednesday you can enrol in her Yellow Cottage class held at The Yellow Cottage at 1.00pm on Wednesday. There will be both a ballet class and Hip Hop. Also “Musical Moments” will again be offering “ABC Music and Me”, if you attend preschool on a Monday these classes will be held at 10.30am. Please see staff for more information about these exciting opportunities.

Thanks to all our families for helping us get off to a great start for 2016. We look forward to lots of fun and learning. Please don’t hesitate to talk to any of our fabulous staff members if you have any questions about anything.

Welcome to the start of a new school year.

For those families new to the School, please take the time to download our school App and familiarise yourself with the SGS website. Our school app is an easy way for the School to instantly relay messages/important information to parent’s smart phones - late excursion buses, cancelled sporting events, excursion notes, permission slips, reminders, newsletters, calendar of events. The app is compatible with iPhones, androids and iPads and is free to download. The app also has 2 easy eForms – 'Change of Details’ and ‘Absentee Form’ which is another convenient and quick way of sending a message to the School.

For parents the most central place to access important information to guide you in the day to day life at SGS is the Parent Portal, which is accessible on the home page of the SGS website. Have a look and familiarise yourself with the information that is there and bookmark this site for future ease and reference.

Our SGS Facebook page is also a fabulous way of keeping in touch with all the wonderful and exciting happenings at SGS.

If you experience any problems with accessing the above information, please do not hesitate to contact me. Wishing you all the very best for a successful and happy start to 2016.

History Tour 2017

In conjunction with Academy Travel, SGS will be running a History tour in April 2017. There have been two previous successful tours in 2011 and 2014, incorporating sites of historical interest and relevance to both Ancient and Modern History. The ability to run the tour will be subject to numbers of participants. I invite all students and parents who are interested in the tour to read the proposed trip itinerary which is on the home page of the SGS website under QUICK LINKS. If you would like to find out more information please download the Expression of Interest Form and return to me by February 22. The 2017 tour would begin in Istanbul and visit the Gallipoli peninsula; from there the group would fly to Rome and visit the Bay of Naples, including Pompeii and Herculaneum, which is the core study for HSC Ancient History. The tour would then fly to Germany, taking in the cities of Munich, Nuremberg and Berlin, relevant to the study of Germany in HSC Modern History. Whether you are a student or a parent, this tour should provide a wonderful opportunity to see some amazing places of historical and cultural interest! If there is sufficient interest, there will be an information evening later in the term.
