26 November 2015

Dear Parents/Guardians,

Expressions of Interest in a Japan Trip in 2016

I would like to propose a 12 day trip to Japan, for secondary students, in December 2016.

The trip would include some time spent in Tokyo where we would visit the Tokyo Sky Tree, Asakusa Shrine, Shinjuku and Akihabara. We would then spend a day at Tokyo Disneyland. This would be followed by a trip to the beautiful nearby region of Hakone which is near Mt Fuji. After that, we would travel by shinkansen to Hiroshima where students would do a one night homestay (two students per family) and then visit the historic towns of Kyoto and Nara.

The cost is estimated to be approximately $4,100 for 15 students and 2 teachers which would be paid in installments.

Parents are also welcome to come on the Excursion.

If you are interested, at this stage, in your child attending this overseas trip, please return the note below. It is only an Expression of Interest at this stage. We will hold an Information Evening in preparation if there is sufficient interest to go ahead. A definite commitment would need to be made by 26 February next year.

Please contact me if you have any further questions.

Regards

Mrs. Foote
