Dear Parents and Friends of SGS,

**It is Fete time!** This is a particularly special event in the School’s Calendar and for the local community. We all come together to work along-side each other to raise funds for the students of our school. The Fete also provides so many people with a day out with beautiful food options, entertainment and activity which adds value to the Scone and Upper Hunter Horse Festival. We also participate in the Parade with a Preschool float and a School float. The younger members of our school have a great deal of fun participating in this annual event. Thank you to all those who have been willing and able to make a contribution to the Fete and the Festival. It is hard work but it is also a great weekend. I look forward to sharing in it with you all.

**Students’ Success**

We continue to have students achieving amazing things.

**Academic**

**Lleyton Hails’** entry into the Honouring Vietnam Veterans Competiton has a winning place. Lleyton will travel to Canberra later in the year for the awards. His entry was a written response and a film. This is an outstanding achievement.

**Sporting**

Following on from **Alyssa Molema** representing Australia in Archery, **Milly Fisher** has been selected to represent Australia in the Equestrian field of Show Jumping. These are absolute highlights.

This week we have also had **Sam Heaton** and **Ky McGrath** selected into the CIS AFL Team, **Wilha Urquhart** and **Pheobe Cox** into the CIS Primary Hockey Team and **Conor Edwards** and **Matt Smart** selected in the HRIS U16s Rugby team to compete in the AICES Carnival. Congratulations to all of these students.

**Secondary Teaching and Learning Centre (STLC) – New Building**

The new building continue to progress very positively. The brickwork for the downstairs area is complete and the walls and trusses for the top floor will be installed shortly. Please take the opportunity when at school to have a look, through the fencing, at the progress.

We were bless with rain over the last week and are thankful to God for this refreshing change. Please continue to pray for rain.

Paul Smart

Principal
SCONE GRAMMAR SCHOOL

fete & markets

SATURDAY MAY 7, 2016
Markets: 9.00am - 3.00pm | Fete: 12.00pm - 4.00pm (after Parade)

- Flower Stall

Open Category Contact Details: .............................................
These first weeks of Term 2 are always exciting and usually extra busy, as we prepare for the SGS Fete together with our participation in various activities connected with the Scone and Upper Hunter Horse Festival. I would encourage students to take particular care with their school and class responsibilities during this period, to ensure these are not left behind in the business of all that is going on around them.

Nest week Year 6 students head off to Canberra for their Year 6 Canberra Trip. Do pray for the group as they enjoy this very special excursion during a very interesting political period.

On Tuesday, Miss Thomas and I were privileged to have opportunity to attend the GRIP Leadership Seminar with our Primary Leaders in Tamworth. This was a very energetic, hands-on, fun, at times ‘loud’, and practical day, full of excellent workshop sessions on the ‘how to’ of effective leadership.

GRIP stands for the organisation’s Core Values:

GROWTH - We all have a responsibility to develop that which has been given to us on behalf of those whom will benefit from it.
RELATIONSHIP - Life can be experienced more fully through interaction and unity with others.
INTEGRITY - A commitment to truth and honesty in dealings.
PEOPLE - Every human being is of great significance, and has a purpose to fulfil.

All the students were very engaged and I’m sure came away feeling they had a much greater ‘grip’ on what effective leadership is all about.

Congratulations to Phoebe Cox and Wilha Urquhart, who were both selected into the NSWCIS Primary Girls Hockey Team at the recent CIS Trials. This is a wonderful achievement and continues the strong representation from SGS in NSWCIS Primary Girls’ Hockey over recent years. The girls will compete as part of the NSWCIS team at the PSSA Championships to be held in Albury later in the year.

This Friday, our SGS Cross Country Team, will be participating in the HRIS Cross Country Championships, to be held at Avondale School in Cooranbong. On the same day, Charlotte Kelly will represent HRIS at the NSWCIS Netball Trials in Sydney. I’m sure all the students have been training hard for these events and are excited about the opportunity to represent their School or HRIS. I do wish them well and look forward to hearing news of their results.

NAPLAN will be held next week for all students in Years 3 and 5. The NAPLAN schedule is as follows:

Tuesday 10 May - Language Conventions and Writing Test
Wednesday 11 May - Reading Test
Thursday 12 May - Numeracy Test

Please note there will be no Catch-Up Day provisions on Friday, 13 May, due to the Scone Cup Holiday.

At SGS, we do work with students to ensure they feel familiar with the format of NAPLAN tests, however, we don’t do extensive ‘NAPLAN practice’, or teach to the test.

APPA (Australian Primary Principals Association) have put together some NAPLAN Guidelines, which suggest that “The best preparation for NAPLAN testing parents can provide is ensuring their child has a good night’s sleep of between 10-11 hours and a healthy breakfast on the morning of testing.”

Do encourage the students to relax, do their best, and remember that NAPLAN is just a snapshot on one day of all the many things they know and are capable of doing.

Good Humour for the Week
Revisiting some old classics ...

Time flies like an arrow. Fruit flies like a banana!
Last week a midget fortune teller escaped from prison. The police are now looking for a small medium at large.
Two hats were hanging on a hat rack in the hallway. One hat said to the other, “You stay here. I'll go on a head!”

Congratulations to Audrey Gill (Year 4 Gold), Oliver Dart (Year 3 Gold), Alexis Walsh (Year 5 Blue), Mackenzie Hails (Kindergarten Gold), Bridget Burnett (Year 6 Blue), Finn Magner (Year 2 Gold), Ryan Cook (Year 6 Gold), Teagan Stewart (Kindergarten Gold), Oli Green (Kindergarten Blue), and Hugo Fernandes (Year 2 Gold), who are all celebrating birthdays this week. I do wish these students all the best as they enjoy this special milestone and share the time with family and friends.
During the Easter school holidays students from Scone Grammar School, along with Rev’d Nate, Mr Price and Mrs Jones, set off to Katoomba for the three day KYCK 2016 Convention. This year’s group was again a good mix of older and younger Secondary students. The theme of the Convention was ‘Jesus above all things’ from the book of Colossians. We learnt more about how Jesus has won the victory for us and how God wants us to honour Jesus because of it by putting Him first in life. After a traditional ‘McDonalds stop’ we arrived at Katoomba, where we got to see the Three Sisters! The weekend that followed was very encouraging. We joined with over 2000 students learning about God’s word and engaging in lively worship and music! This year’s band (Whitefield) made the words of the songs come alive for us. We enjoyed great food and met lots of great people. These 6 Bible talks and experiences were very challenging as well as encouraging and many of us learnt things which will help us to grow as young people following Jesus. We would gladly go again and we all had an amazing experience.

Weekly Chapel Bible passages and relevant links can be found at twitter.com/sgschapel

In Prayer this week:
Reflect on: **Luke 18:18-23**

Give thanks for: Rain!; God’s goodness in sending us Jesus, the resurrection and the life, so we can have a way to be friends with God; Parents, teachers and supporters who truly care for us

Pray for: For the school building project; For Fete preparations; For families and students who are ill or struggling at the moment; Year 2 and Year 9 students; For your son or daughter’s teacher/s! (specific prayer requests can be sent to prayers@sgs.nsw.edu.au to be prayed for by our weekly prayer group- not published in newsletter)

Rev’d Nate
natkinson@sgs.nsw.edu.au
Welcome to Term 2! I hope you have your seat belts on because it is going to be a very busy ride. We have welcomed our new trainee this term her name is Elaine Edwards. She is doing a fantastic job and she has already won a lot of the children's hearts. Elaine is working in Georgi's room on Monday, Tuesday and Wednesday, in Jane's room on Thursday and Kirsty's room on Friday. Cathy Gatwood will now be working on Monday, Tuesday and every second Wednesday with any children we have at The Yellow Cottage with additional needs and she will remain in her educator role in Jane's group on Thursday and Friday. Emma Fogarty has now been allocated some extra time on a Wednesday and a Friday to work with children at that end of the week who have additional needs. This is an exciting step forward for us at The Yellow Cottage. We can now access extra funding from the Preschool Disability Funding Scheme that will allow us to support children with additional needs in a whole new way and help us to promote inclusiveness at our service.

It is Horse Week time again and the staff and the children have been very busy preparing for the float. The theme this year is Rio!! We have blinged, sparkled and bedazzled the horses ready for the float. We are making some giant feathers with lots of help from the children and Kayden's Mum, Sasha. Please make sure you have filled in a permission note for your child to ride on the float. We will also need lots of parent helpers, so for the very best view at the parade please jump on and join us on our float. We need to meet at 10.00am at the float assembly area so please make sure your child has been to the bathroom prior to getting on the float. Pack your child a healthy snack, drink, their hat and the Mardi Gras mask they made at preschool.

Next week we are participating in the STEPS vision-screening programme. This is a State Government initiative that has been around for many years that ensures all children heading to school the next year have had their vision tested. The STEPS team will be at The Yellow Cottage on Tuesday and Wednesday next week. Please collect the notes about this and fill out the appropriate paper work. If your child does not attend on these days we would strongly encourage you to bring them in at 9.30am on either the Tuesday or the Wednesday so they don't miss out on this essential service.

Please remember The Yellow Cottage is closed on Friday, 13 May for Scone Cup Day. The staff will be involved in professional development on the morning of this day.

It is Families’ Week during Week 4. Every day during that week we are inviting family and friends to visit us for the afternoon. At 2.00pm every day of that week we would love to see lots of family and friends visiting The Yellow Cottage. We will start our afternoon with some musical fun and then we will share a picnic afternoon tea with our visitors before heading home. Please bring a special afternoon tea to share with your child. This can include any special treats but they must be nut free.

Week 4 is also photo week. The photo envelopes will be handed out during week 3. The photos will be taken every day in the morning session of our program.

Please don’t forget to pack your child a change of clothes everyday. If you have some of our spare clothes at home could you please return them to us, we are running very short of spare items.

Important Dates for this term and next term:
May 7 – Horse Parade and SGS Fete
May 11—12 – Preschool Vision Screening
May 13 - No Preschool Scone Cup Holiday
May 16 – 20 – Families’ Week at The Yellow Cottage
Preschool Photographs
Learning in Year 9

Year 9 students complete mandatory studies in History and Geography. Some students also undertake to complete courses in Elective History, Geography and Commerce. In all the courses, Year 9s have to begin to think and learn as Stage 5 students, which will require them to contemplate more complex information and issues. Their learning will cover, in mandatory History, topics such as The Industrial Revolution, Making a Nation (which includes first contact history, early white settlement, living and working conditions around 1900 and Federation) and Australians at War (a study including both World War I and II). In mandatory Geography students study Australia’s unique physical environment and human responses to this environment and the ways in which communities are responding to change. In these courses, the students’ skills in synthesising, analysing and interpretation of information are central to their studies. Fieldwork and site studies also form an essential part of their studies. The Year 9s have been busy this term in completing Fieldwork at Burning Mountain, a study of Pukhara Estate (Elective Geography) and attending the Experience of Anzac at Tamworth, a one-off travelling museum exhibition for the Centenary of Anzac by the Australian War Memorial. Here are some student impressions from the Anzac Experience:

We were given headsets and an audio guide as well as a brief explanation of how to use them and soon enough we were allowed to view the artefacts and information.
We were able to walk through the different stages at our own pace and view videos, information, photos, uniforms, model submarines, the experience of the soldiers and the timeline of the war as it evolved, but also examples of weaponry. It focused also on medicine and the doctors’ and nurses’ experiences in the war and the part they played. I found the experience enlightening and interesting. I particularly enjoyed becoming immersed in learning as I worked independently through ANZAC history. Mackenzie Wood

My favourite section of the exhibition was 'The Aftermath' as it showed what happened to society, the families and the individuals that suffered when the war ended. It displayed hospital beds with photos that were constantly changing, showing the men that were injured. It also had different sections not only showing men during the war but the women who did their part. At the end of this section there was a wall of poppies remembering and commemorating those who died serving and protecting our country. It was a great day and a brilliant experience that taught us all a lot about the people who were involved in ANZAC and the events of ANZAC history. Emma Saunders

Such student experiences heighten the ability of students to actively engage with their learning.

Stage 4 History Show

James Adams has visited Scone Grammar School for many years, bringing his array of historical reproduction weaponry. His many tales have engaged students who have also had the opportunity for hands-on experiences. His visit in 2016 was enjoyed by Year 7 students who learned about the Greek, Roman and Egyptian world and by Year 8 who learned about Medieval Europe. The weight of mail armour astounded them and the many weapons provided for much discussion.
Equestrian News

**Milly Fisher to ride for Australia**

Congratulations to Year 10 student, Milly Fisher on her selection to ride for Australia in an International Borrowed Pony Show Jumping Event being held in Korea, 22—24 May, 2016.

The team must consist of 3 riders, aged between 12—16 years, jumping on borrowed ponies no higher than 14.2hh and 1 metre jumps being the maximum height. Milly will be competing against teams from South Korea, Ireland, USA, Japan, China, Malaysia, Hong Kong and New Zealand.

This event is a fantastic result and opportunity for Milly. She is to be congratulated for all her hard work, skill and perseverance to make this team and for riding for her country.

---

**Other Equestrian News**

A very successful day was held **Quirindi Horse Sports** day last Friday in spite of the dust and dry conditions. Results are as follows –

- 16 Yrs Champion and also Overall Highest Point Score – Senior Girl – Hannah Smith
- 14 Yrs Champion – Laura Sadler
- 13 Yrs Champion – Willa Mitchell
- 12 Yrs Reserve Champion – Prunella Hayes
- 11 Yrs Reserve Champion - Emmerson Mitchell
- 11 Yrs Reserve Champion – Angus Stanford
- 9 Yrs Reserve Champion- Charlie Mitchell

Students who are competing at **Coonabarabran in June** - Please check the website each week for important updates.

Anne Davies
Equestrian Co-ordinator
From the Careers Department

Year 12 are now half way through their final year of study. Consequently it is important to for them to be looking into courses and universities they may like to attend in 2017. With this in mind it is important to keep an eye out for the dates of Open Days at the various universities and colleges around Australia that will be coming up shortly.

Dates already published are as follows:

- **University of New England**: 6 May from 9.00am – 2.30pm
- Bond University: 23 July
- Griffith University: 24 July
- **Queensland University**:
  - Kelvin Grove Campus: 31 July
  - Caboolture Campus: 21 August
- **Western Sydney University**: 28 August from 10.00am – 2.00pm
- **University of Technology Sydney**: 29 August from 9.00am - 4.00pm
- **University of New South Wales**: 3 September
- **Newcastle University**: 20 August from 10.00am - 4.00pm
- **Australian National University**: 27 August
- **Australian Catholic University**:
  - North Sydney Campus – 3 September from 8.30am – 2.30pm
  - Strathfield Campus: 10 September.

Students, please also be mindful that applications for the colleges are starting to open and it may be a good idea to ask ex-students of their experiences at the various residential colleges. As some scholarship applications for the various residential colleges and university courses are now open so it may be an opportune moment to get your paperwork in order. Go to the individual university websites to see what is on offer and apply.

If you have any questions do not hesitate to come and see me.

Leah Steedman
From the Sports Department

National Primary Games

Hockey, Netball and U10s Rugby Union
During the holiday period, our Scone Grammar Hockey, Netball and U10s Rugby Union teams travelled to Tamworth to compete at the National Primary Games. It was a successful weekend with all teams really enjoying the competition over the two day carnival.

The Netball girls played a very strong game winning 10 out of 11 games with convincing score margins. The Hockey girls showed enormous improvement, refining all their skills on the astro turf with 3 wins, 1 draw and 4 losses. We had 2 Rugby Union U10 sides playing over the weekend. SGS Blue played some great running rugby which resulted in a few good wins. SGS Gold were undefeated all weekend, winning the Tournament.

All teams showed top sportsmanship and it was often noted by other team coaches and parents. Congratulations to all players for their hard work and great manners over the course of the Tournament and a big thank you to all the parents for their support.

Miss Day

Also at the National Primary Games in Tamworth, Hamish Guiana and Sam Murdoch took part in the Tennis Tournament. Although not representing the School they participated as part of their Tennis Clubs, Scone and Singleton. Over the weekend they played ten double games against other schools eg Central Coast Grammar, International Tennis School and Tamworth to name a few. Both boys played really well, showed great sportsmanship over the weekend and made lots of new friends.

CIS Hockey Trial Success
On Wednesday, 27 April, Wilha Urquhart, Sophia Bell, Camilla Warner, Phoebe Cox and Olivia Ryan travelled to Sydney to trial for the CIS Hockey team. Amongst strong competition, Wilha and Phoebe excelled with their skills and I am pleased to announce both girls have been selected into the CIS Hockey Team for 2016. They will now compete with their team from the 21 June – 23 June in Albury.

Congratulations to the girls and we wish them well in Albury.

Miss Day

CIS AFL Trial Success

Congratulations to Ky McGrath and Sam Heaton who were yesterday, selected to represent CIS at the NSW All Schools Carnival in Albury later in the year.

The boys were selected from approximately 100 boys all trialing for a spot in the team. Ky and Sam dazzled the selectors with their ball handling skills and athletic ability.

Both boys are current members of the Sydney Swans Academy.
HRIS Rugby Success

Congratulations to Matt Smart and Conor Edwards on their selection into the HRIS U16 Rugby Team. The boys will now play at the AICES Carnival later in the year.

TAS Rugby Carnival

SGS Primary Rugby 1st XV

At the beginning of the school holidays, Scone Grammar took a squad of 17 players up to Armidale to compete in the 2016 TAS Primary Rugby Carnival.

Our Carnival commenced with four tough pool matches. Our first match was against Pacific Lutheran College from the Sunshine Coast, Queensland. This was a great first hit-out which saw the team successfully implement specific drills that had been focussed on in training. The boys came away with a 17-7 victory, a great start to the carnival.

Game 2 was against a combined side from TAS and Bishop Druitt College. Everything about this match was close and the teams were only separated by 2 runaway tries to TAS/Bishop Druitt, who took out the match 12-0. Game 3 was against Matthew Flinders College, Queensland. Our boys made the most of our size advantage and played a composed, structured game of rugby and came away with a 36-0 victory. Our final pool match was against St. Mary’s Armidale who were a well-drilled and quick team. We found it tough to stick with them and unfortunately went down by 3 tries.

The conclusion of our pool matches saw us finish 3rd in our pool and after all the calculations were made we were drawn to play again against St. Mary’s in our Sunday ‘final’. The boys saw this as somewhat of a chance of redemption and were keen to play hard. The heavens opened and the boys played their hearts out in torrential rain. We were fortunate to score first and defended wonderfully. As the game progressed St. Mary’s got themselves back in the match and were then able to score two late tries to take the match 21-7. The score line was by no means a reflection of the closeness of the match.

The boys conducted themselves impeccably throughout the tour and were an absolute credit to themselves and Scone Grammar School.

A special thank you to Coaches Warren Park and Rowan Sedgwick for the countless hours they have invested in training and preparing the boys for the carnival.

The squad consisted of: Lochlan McLean, Joe Sedgwick, Nic Adkins, Beau Devenish, Noah McGrath, Jack Faulkner, Braedon Hails, James Haydon-Wicks, Angus Davidson, Hamish White, Daniel O'Regan, Bailey Park, Jordan Mount, Jack Henry, Hunter Ryan, Josh Crowther with special mention to Archie Brooker (from SPS) who was a wonderful addition to our squad.

Player’s player: Joe Sedgwick
Kids Club and Explorers are back!!!!!

What is it?
- Kids club... 4 afternoons of fun - games, craft, activities, food and finding out more about Jesus
- Explorers ... for older children
  Exploring questions and what the Bible really says, activities, food and fun.

Who’s it for?
- Kids club is for children in years K - 3
- Explorers is for children in years 4 - 6

When is it?
- 3.30pm - 5pm on Tuesdays May 31, June 7, 14, 21

Where is it?
- St Luke’s Hall, Scone.

Kids club and Explorers have afternoon tea together and may share some activities but will be in separate groups both at St Luke’s Hall. Children from Scone Grammar School can be accompanied to the hall. Please state arrangements clearly on registration form.

How do I join?
Registration forms are attached to the flyer. Flyers are available at and should be returned to the Primary school office. There are limited places. These are allocated in date order when completed forms are received. All children must be registered in advance by Thursday 26 May.

How do I find out more?
Phone Jenny on 0409 818977
