Dear Parents and Friends of SGS,

THANK YOU! THANK YOU! THANK YOU! for a fabulous Fete!

The weekend was excellent. We were blessed again with a beautiful day that encouraged a huge crowd to enjoy all that was on offer at SGS. Thank you to all those who were able to help in so many ways. My thanks go to the students and staff who worked hard to support the Fete, to the parents who gave so freely of their time to assist in so many ways, to the Class Liaison Parents who coordinated the food stalls and especially to the Fete Committee who have worked hard for many months to enable the Fete to be a success. All of this was led by Yvonne Clerke in her role as Fete Coordinator. A HUGE THANK YOU to Yvonne for her dedication and calm leadership of the Fete.

The proceeds are to be allocated to the landscaping of the area outside the western side of the MPR. These funds will go a considerable distance to see this project completed.

The NAPLAN tests are proceeding this week. We have been working with the students to try to take any stress out of this experience as we know it is only a one day snap-shot of their work in Literacy and Numeracy and not a complete picture of them as a person or a learner. We are also encouraging them to do their best in each of the tests as the information gives us valuable information about the learning that is happening in our school.

Public Holiday

Friday 13 May is a Pupil Free Day due to the half day Public Holiday gazetted in Scone. No students should be at school on this day. Staff will be doing a Professional Development session led by the AIS NSW on Data Analysis, particularly focusing on NAPLAN Data.

Thank you all again for the wonderful fete.

Paul Smart  
Principal  

Photos by Sophie Frazer Photography
This week, students in Years 3 and 5 (together with Secondary students in Years 7 and 9) participated in NAPLAN. I want to share this letter with you again, sent by a UK Primary Head Teacher, to her students following the UK equivalent of NAPLAN. As you think about your child/children, NAPLAN, their results and their other school or home activities, I encourage you to consider this important message:

**Dear Charlie Owen**

Please find enclosed your ... test results. We are very proud of you as you demonstrated huge amounts of commitment and tried your very best during this tricky week. However, we are concerned that these tests do not always assess all of what it is that make each of you special and unique. The people who create these tests and score them do not know each of you the way your teachers do, the way I hope to, and certainly not the way your families do. They do not know that many of you speak two languages. They do not know that you can play a musical instrument, or that you can dance or paint a picture. They do not know that your friends count on you to be there for them, or that your laughter can brighten the dreariest day. They do not know that you write poetry or songs, play or participate in sports, wonder about the future, or that you love spending time with special family members and friends. They do not know that you can be trustworthy, kind or thoughtful, and that you try, every day, to be your very best ... the scores you get will tell you something, but they will not tell you everything. So enjoy your results and be very proud of these, but remember, there are many ways of being smart.

This is a wonderful message about what's at the heart of education and learning!

Year 6 students have been in Canberra this week on their **Year 6 Canberra Trip**, enjoying some exciting and very memorable learning opportunities. Please continue to pray for the group as they travel back today and take time to check out some of their highlight photos on the SGS Facebook page.

I would like to express a heartfelt thank you, on behalf of all Primary staff and students, to all those parents (together with many staff and students) who contributed so generously with their time and efforts last Saturday at the SGS Fete, and particularly to Mrs Yvonne Clerke and the Class Liaison parents. It was such a wonderful day!

Next week on Wednesday, 18 May, **free Dyslexia Seminars** will be held in Scone and Muswellbrook to provide information, tips, insight and practical knowledge about what dyslexia is and how we can go about remediation. Learn how small adjustments can make big changes to a child’s learning and how we can support our children to ensure their promising future.

The National **Walk Safely to School Day** will be held next week, on Friday, 20 May 2016. All Primary school children, along with their parents and carers, are encouraged to walk to school if possible and share some time talking about commuting safely. Further information can be found at [www.walk.com.au](http://www.walk.com.au) Remember, ‘Until they’re ten, children must always hold an adult’s hand when crossing the road’. I would encourage families to find a way to creatively and actively participate if you can. Perhaps walk to school together; perhaps walk to the bus stop together; or perhaps organise a special walk together at some point through the day, to provide an opportunity to share about these important areas. Thank you for your support.

**Good Humour for the Week**

One student said to his friend, “What classes do you have after lunch?”

“English and Music”, his friend replied.

“Ah, Hemingway and hummingway!”

One teacher said to a colleague, “Whiteboards are remarkable!”

Congratulations to Bridie O’Neill (Year 3 Gold), Georgia Henderson (Year 1 Blue), Charlton Hall (Year 3 Gold), Nick Adkins (Year 6 Blue), Jennie McGrath (Year 2 Gold) and Jack Faulkner (Year 6 Gold), who are all celebrating birthdays this week. I do wish these students all the best as they enjoy this special milestone and share the time with family and friends.
As I have been in Canberra with Year 6 this week, where the political issues of finance and the leadership of
Australia have been topical, I have been thinking about what the Bible says about Government and the leadership
of nations. Two passages come to mind to guide our thinking in all things political at the moment. The first is from
Romans and says “Everyone must submit himself to the governing authorities, for there is no authority
except that which God has established. The authorities that exist have been established by God.” This
passage is a great reminder of the command, from God, to respect our Government, even if we don’t agree with
them, to the full extent that we can without compromising or faith. This demonstrates respect. The other passage
which can steer our thinking and actions is from 1 Timothy, which commands us to “pray for our leaders”, so
“that we may live peaceful and quiet lives in all godliness and holiness”. Christians can pray that our
leaders will make Godly decisions, in the best interests of the citizens of our country, especially those most
vulnerable. Christians can pray that our leaders will look to the Bible for guidance, uphold God’s justice, protect the
vulnerable and lead Australia well.

In the end, it is important to remember that God is the ultimate authority over all of us. He doesn’t just consider
and make laws all day; our God gets down among His people. He doesn’t just carry out justice; He died on the
cross to pay for our wrongdoing and to make us right with Him again. He doesn’t promise a successful Australia; if
you trust in Him, He promises an eternal, perfect kingdom with Him forever!

Weekly Chapel Bible passages and relevant links can be found at twitter.com/sgschapel

In Prayer this week:
Reflect on: Romans 13:1-7
Give thanks for: Rain!; A successful school fete; God’s goodness in sending us Jesus, the resurrection and the life,
so we can have a way to be friends with God; Parents, teachers and supporters who truly care for us
Pray for: Our Government and the next season of politics in Australia, that equitable outcomes abound for all
Australians; For the school building project; For families and students who are ill or struggling at the moment; Year
6 and Year 12 students; For your son or daughter's teacher/s! (specific prayer requests can be sent to
prayers@sgsnsw.edu.au to be prayed for by our weekly prayer group- not published in newsletter)

Rev’d Nate
natkinson@sgs.nsw.edu.au
Tales from The Yellow Cottage

What a fantastic weekend it was!! We were very proud to receive the prize for the “Best School Float” this year. The children and the staff worked so hard to create a spectacular looking float.

It was very special to watch all the smiling faces on the children as they enjoyed the ride around the main street. The SGS Fete was a great success thank you to all our visitors on the day.

We hope all our mothers had a lovely Mothers’ Day on Sunday and that you enjoyed your beautiful cards and gifts the children made you.

This week we are participating in the STEPS vision-screening programme. This is a State Government initiative that has been around for many years that ensures that all children heading to school the next year have had their vision tested. The STEPS team will be at The Yellow Cottage on Wednesday this week and Friday next week.

Please remember The Yellow Cottage is closed on Friday, 13 May for Scone Cup Day. The staff will be involved in professional development on the morning of this day.

It is Families’ Week next week. Every day during that week we are inviting any family and friends to visit us for the afternoon. At 2.00pm every day of that week we would love to see lots of family and friends visiting The Yellow Cottage. We will start our afternoon with some musical fun and then we will share a picnic afternoon tea with our visitors before heading home. Please bring a special afternoon tea to share with your child. This can include any special treats but they must be NUT FREE.

Week 4 is also photo week. The photo envelopes have been handed out this week. The photos will be taken every day in the morning session of our programme.

This week I would like to remind all families about our Traffic Light Lunch Box Guide, please make sure you are only packing one selection from the Orange Light foods. We are finding that some children are bringing a lunchbox with two or three foods from the Orange Light section, these are not the healthiest choices for our lunchboxes. The lunchbox traffic lights are available on the SGS website if you have lost your copy.

Please don’t forget to pack your child a change of clothes everyday. If you have some of our spare clothes at home could you please return them to us, we are running very short of spare items.

Important Dates for this term and next term:

May 11 -20 – Preschool Vision Screening

May 13 — No Preschool Scone Cup Holiday

May 16 – 20 –

Families’ Week at The Yellow Cottage and Preschool Photographs
From the Fete Committee

To everyone who donated their time on Saturday to help out at the Fete, a huge THANK YOU! The bunting which was made last year was used again and set the theme for a very festive day and the feedback from the market stall holders and the people who attended has all been very positive.

To the Class Liaison Parents thank you for a fantastic day. We will have a Fete wrap up meeting very soon. To all the parents/carers that helped on various stalls and even to those parents that didn’t have children in that year group or in some cases do not even have children at the School anymore – I can not thank you enough for your help and support.

Special thank you to the Fete Committee who have done an AMAZING job. To all the SGS staff who helped – a big thank you for giving up your Saturday. My most heartfelt thanks to the students who gave up most of, if not all, of their day to help with the various stalls; whether it be The Duke of Ed kids cooking the early morning BBQ, the Hospo kids helping behind the scenes on the Grammar Grind Cafe stand as well as helping with the games or other food stalls.

Lastly, a huge thank you to Michelle Edwards and Tania Lambley . I do not have enough space to note everything they do to help both me and the Fete Committee to make the Fete such a success.

Now for the exciting part.....how much money did we raise? I am waiting on a few more invoices and I hope to be able to announce to the school community next week, the final profit figure. Hopefully we will be a step closer towards signing off on the planned all-weather surface Primary playground.

Kind regards,

Yvonne Clerke

Curriculum Corner – TAS and Creative Arts

During Term One we had a very busy and productive term in TAS and Creative Arts and Term Two is already proving to be jam packed. Our senior students in Design and Technology, Industrial Technology and Visual Arts are working towards completing their Major Projects and Body of Work for HSC submission next term. Our elective students in Years 9 and 10 in Design and Technology, Food Technology and Visual Arts are throwing themselves into the practical activities each of our classes offer. Year 7 Blue Visual Arts have started a unit called Talking Heads and Year 8 Gold Visual Arts are continuing with their Today’s Heroes unit which they will complete before moving to Music next term. The Years 7 and 8 Technology students have moved to the second focus area for the three rotations this year. They are busy in the Kitchen and Textile rooms with Mrs Lambley, busy in the DAT Room with Mr Noble constructing moisture testers and racing cars and in the Ag Plot with Mr Vaughan growing vegies and raising chickens. Our students should be proud of their achievements and the skills they learn from these hands on learning experiences.

Mrs Megan Wisemantel
Head of TAS and Creative Arts

Year 9 Geography – Fieldwork at Burning Mountain

Burning Mountain was the site of Year 9 fieldwork on 27 April as part of their study of Australia’s Physical Environment. We were grateful to have the benefit of Mr Nick Price who provided additional knowledge of fieldwork processes, vegetation and soils also with us on the day. This year, the students practiced using fieldwork equipment, testing abiotic and biotic components of the environment. The students found the soil pH test the most fascinating; at the base of the mountain it was a yellow colour indicating a slightly acidic soil and at the top of the mountain the test indicated a very acidic soil showing bright pink. As they climbed the mountain, the students observed the impact of the burning coal seam on the environment and they further developed their understanding of the importance of the area to indigenous people.

Kate Gallagher
Pukara Estate - Years 9/10 Elective Geography

The students in the Elective Geography class have been studying a unit on Primary Production with students choosing to investigate a variety of agricultural types individually in the classroom. As a group, we explored the production of olive oil and we were privileged to be able to visit Pukara Estate. The students were guided through the Denman-based olive grove by Racquel Goodchild, part of the management team of the estate, who explained how their olives are grown, processed and distributed. At the end of the tour, the students were then able to sample the oils and vinegars and they were generously given a bottle of Premium Olive Oil as a gift from Pukara Estate. Many thanks to Racquel who spent a considerable amount of time with the students and for hosting us once again.

Kate Gallagher

Year 12 Biology

On Tuesday morning, the Year 12 Biology class ventured out to the racecourse for a tour through the Scone Equine Hospital Laboratory. The day before the excursion they were given blood agar dishes to wipe their dirty and clean fingers on and these were incubated overnight to see if Year 12 are good at washing their hands. Those using alcohol hand wash were very good, however, those using soap were not so great. The students also prepared some Equine blood slides and studied these under a variety of microscopes. It was a very enjoyable morning and the students would like to thank Dr. Catherine Chicken for the time she took to show them the relevance of their classroom lesson.
**Kindergarten French**

The Kindergarten students are now the proud owners of a new farm board but we don’t have any animals! We will gratefully accept any donations of plastic farm animals or any farm animals who would enjoy a brief spell in a French Farm environment. Please send them to the SGS Library where a temporary holding pen will be set up.

Anne Davies  
French Teacher

**Equestrian News**

Scone Horse Sports for Schools will now be held on Tuesday, 14 June.

Anne Davies  
Equestrian Co-ordinator

**Dyslexia Drive**

**FREE 90 minute Seminar:**

Dyslexia is a disorder that involves difficulty in learning to read or interpret words, letters and other symbols. Many people go undiagnosed and struggle through school and later life. Recent studies show that up to 15% of the population are affected by it.

This Dyslexia Seminar will be 90 minutes of tips, insight and practical knowledge about what dyslexia is and how you can go about remediation.

**Learn How...**

You can finally break free from the cycle of reading failure and learn how to help your child read.

Learn why it is that dyslexics occurs. Understand what’s happening in the classroom and how to accelerate your child’s reading quicker than you thought possible – all at an affordable price, in the comfort of your own home at a time that works with the family commitments.

You will see that small adjustments can make big changes to your child’s learning and you’ll gain powerful insight on how to support your child to ensure their promising future.

A fantastic day of competition on Friday, 6 May at the HRIS Cross Country. Approximately 100 students from both Primary and Secondary travelled to Avondale College to compete. Another summery day made for hard running conditions. Secondary placed 11th overall and Primary placed 5th overall, each out of 16 schools.

To gain entry into the HRIS team for secondary and compete at AICES, runners needed to finish in the top 10. Each event consisted of 80 other competitors. We have some very good long distance runners at our school with the following Secondary students placing in the top 10:

<table>
<thead>
<tr>
<th>Age</th>
<th>Name</th>
<th>Position</th>
</tr>
</thead>
<tbody>
<tr>
<td>13 Yrs</td>
<td>Tyler Kelly</td>
<td>10th</td>
</tr>
<tr>
<td>14 Yrs</td>
<td>Laura Sadler</td>
<td>10th</td>
</tr>
<tr>
<td>17 Yrs</td>
<td>Fintan Conway</td>
<td>6th</td>
</tr>
<tr>
<td>17 Yrs</td>
<td>Lauryn Crackett</td>
<td>9th</td>
</tr>
<tr>
<td>18 Yrs</td>
<td>Natalya Catzikiris</td>
<td>7th</td>
</tr>
</tbody>
</table>

We also achieved an Age Champion Team
Anna Atkinson
Nikola Holz
Natasha Holz
Aspyn Tanner

To gain entry into the HRIS team and compete at CIS for primary the runners needed to finish in the top 15. Once again our runners were up against 80 other competitors. The Carnival started with our 8 year old students and 9 year old students. We had some great results in this age group with Will Darling placing 5th and Rose Martin placing 12th. Unfortunately, although the 8 year olds and 9 year olds run separately on the day, they are competing against one another on time. For this reason Will and Rose won’t be heading to CIS this year. Congratulations to the following students who will be going on to CIS:

<table>
<thead>
<tr>
<th>Age</th>
<th>Name</th>
<th>Position</th>
</tr>
</thead>
<tbody>
<tr>
<td>9 Yrs</td>
<td>Harry Warner</td>
<td>3rd</td>
</tr>
<tr>
<td></td>
<td>Hugo Firth</td>
<td>4th</td>
</tr>
<tr>
<td></td>
<td>Lachlan Hails</td>
<td>7th</td>
</tr>
<tr>
<td>10 Yrs</td>
<td>Archie Martin</td>
<td>6th</td>
</tr>
<tr>
<td></td>
<td>Lottie Firth</td>
<td>4th</td>
</tr>
<tr>
<td></td>
<td>Sofia Edlington</td>
<td>11th</td>
</tr>
<tr>
<td>11 Yrs</td>
<td>Hunter Ryan</td>
<td>5th</td>
</tr>
<tr>
<td>12 Yrs</td>
<td>Heidi Edlington</td>
<td>9th</td>
</tr>
<tr>
<td></td>
<td>Wilha Urquhart</td>
<td>14th</td>
</tr>
</tbody>
</table>

We also had the 9 years boys win the Age Champion team and for this reason Josh Chopin will also be joining the team down at CIS.

AICES will be held on Thursday, 2 June 2016 at the Sydney International Equestrian Centre, Saxony Road, Horsley Park.

CIS will be held on Thursday, 16 June 2016 at Eastern Creek International Raceway.

Information for both events will be emailed out soon.

Miss Jessica Day
Images from the Scone Grammar School Fete and Float - Scone Horse Festival 2016
Kids Club and Explorers are back!!!!

What is it? Kids club…4 afternoons of fun - games, craft, activities, food and finding out more about Jesus
Explorers …For older children
Exploring questions and what the Bible really says, activities, food and fun.

Who's it for? Kids club is for children in years K - 3
Explorers is for children in years 4 - 6

When is it? 3.30pm - 5pm on Tuesdays May 31, June 7, 14, 21

Where is it? St Luke’s Hall, Scone.

Kids club and Explorers have afternoon tea together and may share some activities but will be in separate groups both at St Luke’s Hall.
Children from Scone Grammar School can be accompanied to the hall.

Please state arrangements clearly on registration form.

How do I join? Registration forms are attached to the flyer. Flyers are available at and should be returned to the Primary school office. There are limited places. These are allocated in date order when completed forms are received. All children must be registered in advance by Thursday 26 May.

How do I find out more? Phone Jenny on 0409 818977

Nat Von Bertouch & Bec Bulley Netball

Wednesday 18th May | Muswellbrook Netball

Ages 5-17 years | 4-6pm

Cost | $20 per participant
Registrations close | Monday 16 May, 2016
For more information and to register: call 0439774581 or email Muswellbrook.netball@gmail.com
Numbers are limited, so be quick!
Last Friday night, Campbell Smith from Year 2 Gold, enjoyed a very exciting rugby league adventure, ‘...the stuff dreams are made of’. Campbell and his team mates from the Muswellbrook Rams U8s were invited to play a demonstration match during the half time break of the Australia v New Zealand Rugby League test match, played at Hunter Stadium in Newcastle. They also participated in a sprint race from post to post and formed a guard of honour as the players returned to the field for the second half, getting lots of Hi-5s from the players! Campbell made his Hunter Stadium debut in front of a packed house crowd of 30,000 fans and after the match, with his team, had the opportunity to meet with some of the test players, as well as some of the Jillaroos (who also played a match that night). Understandably, Campbell beamed with excitement the whole night! What a wonderful adventure!
