Dear Parents and Friends of SGS,

As we continue to develop our knowledge and understanding of Building Learning Power (BLP) staff are incorporating more BLP into their classrooms and lessons. The explicit links to how learning is happening for the students, while working with the content of our curriculum, is an important aspect of this development, creating opportunities for the students not only to use the learning dispositions but also to clearly link these and transfer this knowledge into other learning. Guy Claxton, the researcher and academic behind BLP, has this to say about the aims of the approach:

‘BLP is an approach to helping young people to become better learners, both in school and out. It systematically cultivates habits and attitudes that enable young people to face difficulty and uncertainty calmly, confidently and creatively. Students who are more confident in their own learning ability learn faster and learn better. They concentrate more, think harder, and find learning more enjoyable. They do better in their tests and external examinations.’ (Claxton, G. etal, 2011, The Learning Powered School)

We all want our young people to be prepared for the ever changing world we live in, prepared to continue to learn, adapt and create.

Primary Athletics Carnival
The Primary Athletics Carnival was a great success on Tuesday on a sunny but cool day. It was wonderful to see the enthusiastic approach to the events from all students. Congratulations to Pulling, who were the winners of the Carnival.

HRIS Secondary Athletics
On Monday our Secondary team represented us at HRIS and placed third overall, winning the Handicap Trophy. Five students achieved Age Champions. Congratulations to all members of the team.

We now commence a time of cultural opportunities with students representing us at HRIS and HICES cultural festivals.

It is very exciting that we will host a new Equine event next week for the first time. The Scone Grammar School Stockman’s Challenge offers a different opportunity from other School Horse Sports events and should be a wonderful day. This inaugural day will be held on the horses’ birthday and has received good support from the Australian Stock Horse Society.

Our Year 12 students commence their Trial HSC Examinations next week. Please uphold them in your prayers as they prepare for and sit these exams. This is often a stressful time and our support will be greatly appreciated by the students.

Paul Smart
Principal
I would like to thank Miss Day again for her wonderful organisation of the Primary Athletics Carnival and also thank the many parents and friends who came along on Tuesday to encourage and support the students. It was a wonderful day - great fun, active participation, strong competition and commendable sportsmanship, with Pulling House finally emerging as the winners, followed closely by Jones and Ledger. Special congratulations to Lachlan Hails, for his outstanding efforts in breaking two long-standing records, (Boys 9 Years 100m/200m) which have stood the test of time for over 20 years. Thank you also to the Primary staff, who did an excellent job of supporting Miss Day in many important and practical areas.

Each semester, we ask the students in Years 3-5, to elect new representatives for the Primary SRC (Student Representative Council). These students work with Mrs Tesoriero to initiate and facilitate a range of student based activities that broaden and enrich the opportunities available for other Primary students here at the School. Congratulations to our new Semester Two Primary SRC representatives:
Year 3 Blue - Caitlin Atkinson; Year 3 Gold - Charlie Mitchell; Year 4 Blue - Siobhan Hansia;
Year 4 Gold - Max Patterson; Year 5 Blue - Laura Williams; and Year 5 Gold - Michael Dunley.
These students will be presented with their SRC badges during Chapel on Monday, 8 August. Parents and visitors are most welcome. Chapel (Years 3-6) begins at 11:30am in St Luke’s Church.

Term 3 will see all year groups (K-5) involved in their annual camping/outdoor education adventures. Year 5 head off to Milson Island next Monday. As with all our Primary camps, this is a wonderful opportunity for students to experience new challenges, learn new skills, develop their ability to collaborate and work as part of a team, and learn more about their own personal interests and capacities. Please continue to pray for the students and the staff attending, Miss Ireland, Mrs Tesoriero and Mr Holden. I know the students will all have a wonderful time at this picturesque and very well equipped facility and I look forward to visiting the camp on Thursday next week.

One of the fundamentals that we have focussed on regularly over the years at Scone Grammar School has been the value of each individual, and the right of each student to safety, respect and courtesy from others. We don’t all have to be the same. We don’t all have to have the same interests, abilities or talents. We should, however, all be able to understand that caring for others’ safety and showing others courtesy and respect are basic aspects of a healthy school community and indeed a healthy society.

This means our behaviour towards others, our words to others and our focus on inclusion and acceptance (rather than exclusion and rejection) should be everyday priorities. Whether it’s in the classroom, in the playground or on the bus, these issues are always important. Our challenge as teachers and parents is to train our children and assist them to develop in these areas. Thank you for your support.

We received results this week for the 2016 ICAS Science Competition. Congratulations to the following students on their achievements:

ICAS Science

**Merit**  
Year 4 - Sarah Clark, Harry Faulkner  
Year 5 - Laura Williams  
Year 6 - Grace Pratley

Year 4 – Braeden Wallace  
Year 6 - Samuel Barry, Zoe Gallagher, Prunella Hayes

The 2016 ICAS English Competition will be held next Tuesday, 2 August.

A number of Primary students will also be participating in AMEB Music exams this week and we do wish them every success as they step up to this challenge.

**Good Humour for the Week** (special thanks to Hugo Shann – Year 2 Gold)

Have you heard about the happy astronaut?  
He was over the moon.

Congratulations to Caitlin Atkinson (Year 3 Blue), Jasper Davies (Year 6 Blue), Archie Adkins (Year 2 Blue), Sam Barry (Year 6 Gold), Yasmin Miller (Year 3 Blue), James Miller (Year 1 Gold), Brendan Fleming (Year 6 Blue) and Jack Riordan (Year 5 Gold), who are all celebrating birthdays this week. I do wish each of these students all the best as they enjoy this special day and share the time with their family and friends.
It was great fun to watch our students compete at athletics carnivals this last week. I liken some student’s efforts to the marathon runner. Every marathon runner, at some point in the race, wants to give up. This point is known as ‘the wall’ or the ‘Red zone’; that critical point about 10-15 kms before the finish line when the body is screaming to stop and ‘give up’. At this critical point, the runner has to press through the wall and make a decision not to give up. It is one thing for the runner to decide at the start of the race that he or she will finish it but quite another thing altogether to press on, in the heat of the race, during the exhaustion and pain one experiences when ‘hitting the wall’.

This is a theme we picked up in chapel time this week. In our series on ‘running the race’, we discussed the need for endurance and persistence. This is true for all of us. God wants us to follow through and persist. This is critical for those who are running the Christian race. We all get weary. We all ‘hit the wall, in some way. Each of us face challenges and obstacles in life. God wants us to ‘endure’ and He shows us how, if we are listening. I have heard some say that the secret is trusting in Jesus. Perhaps not ‘just’ trusting in Jesus, but trusting in ‘what Jesus has done for us’ is the true key here. To the Christian, fixing our eyes on, considering, exactly what Jesus has done... what He endured for our sakes, is everything; to know that Jesus did not give up when He faced great pain and a scary cruel death, the weight of the world’s sin upon His shoulders. What a source of comfort and motivation to know that Jesus endured the cross ‘in our place’ to win the victory for us. Our loving God wants us to persevere, to endure, to not give up..... and He has given us the perfect example to follow.

In Prayer this week:
Reflect on: Hebrews 12:1-3
Give thanks for: God’s goodness in sending us Jesus, the resurrection and the life, so we can have a way to be friends with God; A safe and enjoyable athletics carnival; Parents, teachers and supporters who truly care for us
Pray for: Our new Government and the next season of politics in Australia, that equitable outcomes abound for all Australians; For the school building project; For families and students who are ill or struggling at the moment; Kindergarten and Year 7 students; For your son or daughter’s teacher/s! (specific prayer requests can be sent to prayers@sgsnsw.edu.au to be prayed for by our weekly prayer group- not published in newsletter)

This week we would like to showcase the musical experiences we provide for children at The Yellow Cottage. Music is a natural and important part of young children's growth and development. Early interaction with music positively affects the quality of all children's lives. Successful experiences in music help all children bond emotionally and intellectually with others through creative expression in song, rhythmic movement, and listening experiences. Music in early childhood creates a foundation upon which future music learning is built. These experiences should be integrated within the daily routine and play of children. In this way, enduring attitudes regarding the joy of music making and sharing are developed. At The Yellow Cottage we incorporate musical experiences into every day of our preschool program. These include whole group experiences, teacher directed learning and play based opportunities for musical investigation.

Children's Book Week

Australia! Story Country
20 – 26 August 2016

Every year we celebrate Australian Children’s Literature during Children’s Book Week, an event organised by the Children’s Book Council of Australia (CBCA). The CBCA awards prizes to books of high literary and artistic quality in each of the following categories: Children's Book of the Year: Older Readers; Children's Book of the Year: Younger Readers; Children's Book of the Year: Early Childhood; Australian Picture Book of the Year; and the Eva Powell Award for Information Books.

This year the theme of Children’s Book Week is Australia! Story Country. It celebrates Australia’s rich history of storytelling, helping us to understand who we are and how we live. Books entertain, empower, educate and allow us to empathise with other people and their experiences, both in Australia and around the world.

Book Character Parade

During Book Week, we invite Primary students across K-6 to dress up as their favourite book character. Re-read a description of your character, go through the dress up box, visit the Op. Shop and create a costume that will dazzle us.

On Friday, 28 August students will parade their costumes – details are yet to be advised. Please feel free to attend.

Prizes will be awarded to a boy and a girl in each year group. There will also be some awards for creative costumes and a People’s Choice Award.

Scholastic Book Fair: 20-26 August 2016

As part of our celebration of Book Week, the Library will be holding a Scholastic Book Fair where students are given the opportunity of purchasing books and other items. Not only is a Scholastic Book Fair a great way to support and encourage your child’s reading, it has the added bonus of helping the Library to acquire much-needed resources. So please come and visit us during Book Week. We will have a range of different titles for you to purchase on display in the Library.

Premier’s Reading Challenge

19 August 2016 is the last day to enter books online for the Premier’s Reading Challenge. If you require a user name and password, please contact me via email or the telephone, or visit me in the Library. If you are having problems entering your books, please let me know before this date so I can assist you.

I have entered books for Kindergarten students.

Scone Grammar School Stockman’s Challenge

Scone Grammar will be hosting the inaugural Scone Grammar School Stockman’s Challenge – an interschool event on Horses’ Birthday – 1 August, 2016.

This event is designed to showcase the real life skills used by children and their horses on their properties every day. Some of the events include Calf Roping, Station Hack, Pleasure Hack, Working Horse and Show Jumping.

Come along to see students competing in what they love to do. We are very grateful for the encouragement and support from the Australian Stock Horse Society.

Venue – White Park   Monday 1 August from 9 am.

We were extremely lucky last week with our Athletics Carnival being held on a very spring like day. Perfect weather conditions allowed for a fantastic day of competition with many records being broken. We have some very talented students but we also have a lot of students who participated all day long achieving a number of points for their house.

Congratulations to the below students who excelled on the day breaking records in their age division:

**Callum Goodwin**
- 12 years discus: 30.66m
- 12 years javelin: 25.77m

**Ryan Clerke**
- 13 years shot put: 10.58m

**Anna Atkinson**
- 15 years 100m: 13.22

**Zoe Harper**
- 17 years 100m: 12.85
- 17 years 200m: 27.55
- 17 years long jump: 4.97m

**Bella McKinley**
- 15 years discus: 23.62m

The following students also achieved superb results on the day and have accomplished Age Champion status:
