Dear Parents and Friends of SGS,

It is delightful to have students stretching themselves by participating in a variety of academic challenges. We have had students participate in a variety of writing competitions and achieved very good recognition. We had our Primary and Secondary debating team have victories in all their debates at the HRIS Debating Day; the Primary da Vinci Decathlon team having huge success at the Northern da Vinci Decathlon in Armidale last week and the Primary Tournament of the Minds Team stretching themselves in Tamworth over the weekend. Congratulations to all of these students and to the teachers supporting them.

I would like to take this opportunity to thank Mrs Pip Baker for her work with the Clothing Cottage over many years. Pip has decided to resign her position as Clothing Cottage Coordinator and I would like to draw attention to the below link for interested people. The Position is advertised in Positions Vacant on the SGS Website.

I need to write a correction. Lyndal Oatley was School Captain in her final year at SGS, not Jones House Captain as I commented last week in my Newsletter item and on Assembly. She remains a passionate Jones House member.

It was wonderful to host our 2017 Kindergarten group and their parents, this week. It is always a special time as these young people get prepared to start their formal schooling and it is a privilege to be given the responsibility to guide and support them in their educational journey.

The new building is getting very close to completion which is very exciting. The Foundation are hosting an evening in the new building so everyone can enjoy it before classes are held there. The night will also be a fundraiser for the Stage 1b developments. This event will be held on Friday, 23 September so save the date for a great night out.

Year 12 are in their final month of school! Please pray for them as they enjoy the excitement and also the apprehension of what this change will bring.

Last week, two teams of Year 5 and Year 6 students, from the EnEx programme, travelled to Armidale to compete in the Northern da Vinci Decathlon. The students were outstanding ambassadors for their families and for their School and I was privileged to accompany them on their trip. It has been exciting to watch the development of the EnEx programme over the last twelve months under Miss Dowdell’s leadership and I do want to acknowledge and thank her for the initiative, diligence and sustained commitment she has given to this valuable area. Congratulations to both teams on their wonderful results.

2016 NAPLAN student reports were sent home to parents last week. Primary Staff will be reviewing NAPLAN results over coming weeks and also as they prepare for Term 3 Parent / Teacher Interviews in Week 9.

I would like to share this letter with you again, sent by a UK Primary Head Teacher, to her students following the UK equivalent of NAPLAN.

As you think about your child/children, NAPLAN, their results, and their other school or home activities, I encourage you to consider this important message:

Dear Charlie Owen

Please find enclosed your ... test results. We are very proud of you as you demonstrated huge amounts of commitment and tried your very best during this tricky week.

However, we are concerned that these tests do not always assess all of what it is that make each of you special and unique. The people who create these tests and score them do not know each of you the way your teachers do, the way I hope to, and certainly not the way your families do.

They do not know that many of you speak two languages. They do not know that you can play a musical instrument, or that you can dance or paint a picture. They do not know that your friends count on you to be there for them, or that your laughter can brighten the dreariest day.

They do not know that you write poetry or songs, play or participate in sports, wonder about the future, or that sometimes you take care of your little brother or sister after school.

They do not know that you have travelled to a really neat place, or that you know how to tell a great story, or that you really love spending time with special family members and friends.

They do not know that you can be trustworthy, kind or thoughtful, and that you try, every day, to be your very best ... the scores you get will tell you something, but they will not tell you everything.

So enjoy your results and be very proud of these, but remember, there are many ways of being smart.

This is a wonderful message about what is really at the heart of education and learning!

Next week, in preparation for the Term 3 P/T Interviews, there will be an Open Classroom Afternoon in all K-6 classes, scheduled for Monday, 5 September in the respective K-6 classrooms, between 3:30pm and 6:30pm. Parents are invited to drop in at any time during the afternoon, for a short visit (10-15 minutes) with their child, to look at all the work the students have completed this term. Each student’s books and classroom work will be available on their desk and other class work will be on display around the room. The main purpose is providing an opportunity for parents, together with their children, to look at and talk about the student’s work. Questions or follow-up areas from the Open Afternoon will then be able to be discussed with the teacher at the P/T Interviews in Week 9. We do look forward to your participation.

Student Banking is conducted every Thursday morning for participating students across all Primary classes. We are still currently looking for more parent helpers to assist each week. It is not a difficult task and only takes a short time. Please contact me at the School for further details if you would like to assist.

Good Humour for the Week (Special thanks to Adam Chesworth and Lottie Firth)

A farmer saw one of his chooks looking intently at the lettuces. Hmmm, he thought. Chicken Caesar Salad!

Where do mice park their boats? At the Hickory Dickory Dock

Congratulations to Mitchell Baker (Year 3 Gold), Jemma McGrath (Year 2 Gold), Chelsea Burke (Year 6 Blue), Noah McGrath (Year 6 Gold), Quentin Prangley (Year 6 Gold), Alexandra Love (Year 2 Blue), Lachlan Peasley (Year 4 Blue) and Holly Elliot (Kindergarten Blue), who are all celebrating birthdays this week. I do wish each of these students all the best as they enjoy this special day and share the time with their family and friends.
From the Chaplain

Every single new vehicle has an owner’s manual. It’s found in the glove box of our car. If we flick through it, we would see everything we need to know about how to care and get the most out of our vehicle. It’s all right there in our owner’s manual! But here’s what is amazing about owners’ manuals. Hardly anyone ever reads them. Human lives are a lot more complex than any vehicle. And God, who is our designer, has given us an owner’s manual. It’s called the Bible, the Word of God. Yet, for most people, this owner’s manual is seldom read. Inside this manual is our make and design, and all we need to know to live our life to the fullest. Having celebrated ‘Book Week’ last week I thought it would be appropriate to consider the benefits of reading this powerful book!

“All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness” (2 Timothy 3:16)

This wonderful owner’s manual, this written Word of God, has the power to transform lives. It points us to the One who transforms. His name is Jesus, the ultimate Word of God. We are directly dependent on this Word to have the perfect picture of Jesus!

Weekly Chapel Bible passages and relevant links can be found at twitter.com/sgschapel
In Prayer this week:
Reflect on: 2 Timothy 3:16

Give thanks for: God’s goodness in sending us Jesus, the resurrection and the life, so we can have a way to be friends with God; Parents, teachers and supporters who truly care for us; our K-12 camp and extracurricular activities at SGS
Pray for: For the school building project; For families and students who are ill or struggling at the moment: Year 5 and Year 12 students; For your son or daughter’s teacher/s! (specific prayer requests can be sent to prayers@sgs.nsw.edu.au to be prayed for by our weekly prayer group- not published in newsletter)

Rev’d Nate
natkinson@sgs.nsw.edu.au

Caring for the individual
Tales from The Yellow Cottage

Nature is important to children’s development in every major way—in tellectualy, emotionally, socially, spiritually and physically (Kellert, 2005).

Nature’s store cupboard offers us the widest range of loose parts; some of the advantages nature offers is that the natural resources are highly sensorial, come in so many different forms which offer selection and challenge, are freely available and inexpensive. They also come in ranges and tones of colour that reflect the gentle colours of Nature’s palette instead of the standard very bright primary colours.

The use of natural objects for learning, links well to Belonging, Being, Becoming; the Early Years Learning Framework for Australia (2009).

Natural objects relate to:

**Belonging** – natural objects are mostly found from the local area.

**Being** – children engaging in play instinctively with natural objects thus demonstrating positive dispositions towards learning.

**Becoming** – children develop a connection to and appreciation for nature that stays with them as an adult.

---

**Important Dates for this Term**

6 September  
Book Week Parade visit to Scone Public School.

13 September  
Indigenous Workshop at The Yellow Cottage run by Pat Collins.
School Photos

The Leadership photos are now on display in the Library. Please feel free to come and have a look. Order envelopes are available at the Library Front Desk. You may also order online by visiting theschoolphotographer.com.au. Online code: S606VT34S.

All orders must be in by the 12 September.

An outstanding Co-Educational Pre School to Year 12 Independent Anglican School www.sgs.nsw.edu.au
Lleyton Hails wins award in Canberra

Scone Grammar School Year 10 student Lleyton Hails travelled to Canberra to receive a national award in the ‘Honouring Vietnam Veterans’ Competition. His entry was awarded first place in the New England region. Students from all around Australia came together on August 18 for the 50th Anniversary of the Battle of Long Tan, visiting the War Memorial and taking part in commemoration services. Lleyton’s entry was a film. The judges had this to say about his film—

“The winning student produced a video exploring the roles of the Royal Australian Air Force and wartime correspondents during the Vietnam War. The judges commented that “some of the footage included was captivating.”

The Minister for Veterans’ Affairs, Dan Tehan, congratulated the winners of the Honouring Australian Vietnam Veterans Secondary Schools’ Competition. Mr Tehan said the Competition encouraged students in Years 9 to 11 to investigate the contribution of Australians who served in the Vietnam War and reflect on the importance of commemorating their service and sacrifice.

“The entries reflected different aspects of the Vietnam War, including veterans’ stories, Indigenous service, family heritage, nursing, as well as the role of dogs and the relationship with their handlers.”

“Some 60,000 servicemen and women were deployed overseas during the Vietnam War, and the students who entered this competition have learned about the bravery, resourcefulness and determination of our Vietnam veterans, as well as the difficulties many endured when they returned from service.”

Lleyton wrote of his experience—

“Two weeks ago I was lucky enough to represent my school and the federal electorate of New England, in Canberra at The Battle of Long Tan Memorial Service. My movie footage honouring the RAAF and wartime correspondents’ efforts in Vietnam was chosen as a winning entry, along with 53 other entries by students from around Australia, enabling me to have this incredible trip. I was flown to Canberra on Tuesday night. On Wednesday morning we attended Parliament House where I was presented with an award for my efforts. We spent the rest of Wednesday visiting lots of Canberra’s tourist and educational spots. On Thursday we arrived at the Australian War Memorial. Here we stood alongside Vietnam Vets and took part in the emotional Battle of Long Tan Service. After the service we had the opportunity to meet some of the Vietnam Veterans and talk with them. We then spent the rest of the day at the Australian War Memorial; we went to a live theatre experience, had a guided tour and then a gala dinner was held for us in the Great Hall. This was my first visit to the Australian War Memorial and I found it fascinating and moving all at the same time. By Friday, I had made some great friends from around Australia. We had a fun day together visiting more Canberra landmarks. I flew home on Friday night.”

Congratulations Lleyton on representing Scone Grammar School at this important National occasion!

Ms Gibson
Australia Story Country Book Parade

A big thank you to everyone who participated in the Parade. It was a wonderful celebration of Australian Children’s literature. A myriad of different Australian characters swept across the stage displaying an enormous amount of creativity and knowledge about the wonderful stories and poems, both contemporary and classic, created by Australian authors and illustrators. Students, parents and staff are to be commended on the time and effort they put into creating these wonderful characters.

I am particularly grateful to our team of judges, Colin Selwood, Helen Freeman and Hilary Nicol who had the difficult job of selecting winners. Special thanks must also go to Sally O’Regan who introduced the students and entertained us all as Master of Ceremonies and to Rob Tesoriero and Peter Easthope who set up the stage and moved the Book Fair to the Trade Training Deck. The Parade wouldn’t have been possible without the assistance of the Primary School teachers who are always so willing and able to lend a hand when needed. Mrs Lambley and the Hospitality students once again did a great job of providing coffee and delicious scones after the parade. Finally, I would like to thank our wonderful parents and students for the enormous effort they made in preparing their costumes for the parade. I would also like to thank you for your generous support of the Book Fair.

From the Enrichment Extension (EnEx) Program

Last Friday Scone Grammar entered two teams in the Northern NSW da Vinci Decathlon. The da Vinci Decathlon challenges student’s intellect, problem solving skills and creativity over 10 different disciplines. The day, hosted by The Armidale School, was the most successful competition Scone Grammar has competed in so far. The results are as follows:

**Year 6**
- 1st Poetry and Art
- 1st Engineering
- 2nd English
- 2nd Cartography
- 3rd Code Breaking
- 3rd General Knowledge

**Year 5**
- 1st Poetry and Art
- 3rd Cartography
- 3rd General Knowledge

I would like to congratulate the students on being such wonderful ambassadors for our school and always striving to do their best. Thank you to Mr Feeney for organizing the overnight stay at PLC and driving the school bus.

On Sunday a select group of students travelled to compete at the Tournament of Minds competition at Calrossy in Tamworth. Tournament of Minds requires students to choose a challenge from the choice of four and present a solution dramatically to a panel of judges. They have been preparing for this competition for 6 weeks. This was Scone Grammar’s first year competing in the competition for some time and the students showed amazing talent despite the challenges. Scone Grammar School did extremely well and were awarded the Spirit of ToM award for excellent collaboration and group work! I am so proud of the independent work ethics of these students. A big thank you to Mrs O’Regan for accompanying us to Tamworth in the bus.

If Tournament of Minds sounds interesting to you please sign up next year. I would love to take teams from primary and secondary.

**Felicity Dowdell**  
EnEx Coordinator

**Primary Debating**

Throughout Terms 2 and 3, thirty-two Year 5 and 6 students, competed in an in-school debating competition, to improve public speaking skills and to learn the mechanics of debating. From this competition, three teams were selected to represent The School at the HRIS Debating Gala Day which was held on the 18th August at Heritage College, Newcastle.

The topics were challenging and we were awarded the negative side for each debate. **Team 1**, Daniel O’Regan, Heidi Edlington, Bridget Burnett and Hunter Ryan, debated ‘NSW should introduce a pollution tax on all disposable plastic goods,’ against Heritage College. **Team 2**, Harriette Firth, Laura Williams, Alexis Walsh and Nick Adkins, debated ‘Social media undermines genuine community,’ against Calrossy Anglican School and **Team 3**, Camilla Warner, Charlotte Kelly, Hamish Guiana and Prunella Hayes, debated ‘Asylum seekers should be processed on the Australian mainland,’ against Lakes Grammar. To our delight, we were victorious in all three debates!

All of the students are to be congratulated on their hard work. Many lunch times, afternoons and extra time was spent preparing for this competition. I would like to especially thank Mrs Sally O’Regan for jumping on board and helping one of the teams prepare and helping to lighten the load; also Miss Wendy Thomas for coming along and adjudicating on the day. It’s terrific to see debating thriving at SGS!

**Mrs Natalie Kelly**
SGS Primary Debating Teams

Team 1  Daniel O’Regan, Heidi Edlington, Bridget Burnett and Hunter Ryan

Team 2  Harriette Firth, Laura Williams, Alexis Walsh and Nick Adkins

Team 3  Camilla Warner (absent from image), Charlotte Kelly, Hamish Guiana and Prunella Hayes
Mayor for a Day - Congratulations

Canteen Help Needed Please

A shout out to all SGS families. We are struggling at the moment to fill our canteen roster. We would greatly appreciate any new volunteers as we are working at least two days a week with no helpers, this flows on to the children because the canteen does not function as efficiently as we would like. A day a term would be of great assistance and would go a long way to helping us with this situation.
You can contact us directly on 6545 3131 ext. 1514.
Looking forward to hearing from you.
Jenny and Fiona

Helicopter Fundraising

This year SGS is not doing a whole school Fundraiser for The Black Coal Cup and the Westpac Rescue Helicopter.
Donations from the Secondary Drama Nights on 6 and 7 September and funds from the staff Frumptious Friday Raffles over the next two weeks will be donated.
Families are more than welcome to make donations to this wonderful cause through either the Primary Office or the Main Administration Office.
Lost and Found

The above items are available for pick up from the Main Administration Office.

The Upper Hunter Education Fund

The primary role is providing financial assistance and mentoring to young people to tertiary education from the Muswellbrook and Upper Hunter local government areas. Selection criteria are primarily needs-based as it is financial assistance not a traditional scholarship.

Applications can only be made by residents of Muswellbrook and the Upper Hunter Shire (excluding Merriwa). Since its inception in 2008 over $360,000 has been given out to over 200 young people from Muswellbrook, Denman, Aberdeen and Scone to assist with their tertiary education expenses.

HSC Study Camps are also conducted in July and September – over 2 days at each of Aberdeen and Singleton and are open to any current HSC candidate interested to attend. The camps are free to attend and lunch is provided.

For further information please go to:
www.upperhuntereducation.com.au
LET’S HELP ‘RUN THE RACE’ WITH REV NATE

PURPOSE
Mental Health Awareness is a significant factor in the ongoing wellbeing of our school community. At PBS we believe that student wellbeing and student learning go hand in hand. You can’t have one without the other. By supporting Rev Nate, Where There’s A Will Foundation will help us uplift PBS teaching staff in student mental health and wellbeing and first aid.

WHERE THERE’S A WILL FOUNDATION
The heart of local charity Where There’s A Will Foundation, is to provide support to schools in the Upper Hunter in delivering recognised mental health programs from Preschool through to Year 12. All children and adolescents should feel safe, valued and heard.

DONATE NOW
Click on www.ozcrowd.com/campaign/3061 and make your donation now. Let’s help maintain Rev Nate in his running endeavours which will also enable us to work with local charity Where There’s A Will Foundation in ensuring PBS is a leading school in managing student health and wellbeing.

17 - 25 September 2016

Fitness and fun for the family!

Saturday 17 September – 12.00 noon, come and try the velodrome in Muswellbrook, everyone welcome. Bring your BMX, road bike, mountain bike and experience the thrill of one of the world’s tightest velodrome tracks. Will be followed by a free BBQ.

Sunday 18th September – 8.30am, 50km social road ride from the Bill Rose Sports Complex to Cressfield Stud for coffee, then return. Fully supported ride.

Saturday 24th September – 2.00pm, social ride along Muswellbrook Cycle Club’s road racing track, starting at McCutly’s Gap Hall. Come and meet the club members, and bring the family for a leisurely ride. Fairly flat 10km ride, or more challenging 20km ride, both with great scenery.

Bike Week is an initiative of Transport for NSW.

Enrol now in our fun, interactive early childhood music classes.
Available in Muswellbrook, Singleton and Scone. Fully qualified teachers, safe environment, classes for babies, toddlers and pre-schoolers.
