Dear Parents and Friends of SGS,

The Secondary Drama Nights have demonstrated the enormous value in students having a Drama experience as part of their learning. What amazing talent we have in our student body; the detail and subtlety of many of the older students’ acting was a joy to watch from the audience. The high standard of performance from the students is another aspect of celebration of what is happening so well at SGS.

We are seeking an opportunity to demonstrate much of what occurs in the Secondary section of the school for Years 5 and 6 students, on Friday 16 September. All of our present students will be joined by students who are considering Scone Grammar School for Year 7 in 2017 or 2018. This will be a day that will help them understand secondary school better and the opportunities available to them at our School. Please encourage anyone you know around the area to come along and join in the Secondary experience day.

The opportunity to experience the new building prior to classes using it, is open to you all at the ‘Sneak Peek Party’! All parents and friends are invited to this night of celebration of the building’s completion on Friday 23 September. Tickets can be booked through trybooking.com/225484. I look forward to the space being filled and celebrating with you all.

Parent / Teacher Interviews are on next Monday and Wednesday afternoon and evening. We all look forward to sharing in the discussions about your child’s/children’s learning.

The Indian exchange students’ time is drawing to a close. They have a week left of their visit. We will farewell them on Assembly next week. The two SGS students who will be attending Welham Girls’ School on exchange are Courtney Brown and Tegan Ferries for what I am sure will be an experience of a lifetime and will will travel with the Indian boys back to Dehradun.

Paul Smart
Principal
Come and experience a SGS Secondary Education

Inviting all students in Years 5 and 6 in 2016, considering or interested in knowing more about Scone Grammar’s Secondary School

• Friday, 16 September, 2016
• 9.00am until 2.00pm
• Open to all students currently in Years 5 or 6
• Lunch will be provided

RSVP Mrs Adrienne Casey 65453131

Primary News from Mr Feeney

I would like to thank K-6 parents for participating in our Open Classroom Afternoon which was held last Monday. There were some wonderful shared conversations as Primary students were able to articulate for their parents, the ‘what, why, when, where, and how’ of the different learning adventures they have been involved in in class. Our active interest in their learning provides opportunity for the students to really show what they enjoy, what they understand, how they feel about what they have achieved, and how proud they are of their progress. Let’s do all we can to keep these learning conversations happening on a regular basis.

Last week we held Kindergarten Orientation Day which was a very special and exciting time for those children starting school next year. I would particularly like to thank all the Primary staff involved, the Year 5 student ‘buddies’, the current Kindergarten parents for assisting with Morning Tea and all those who contributed in various other ways, either directly or behind the scenes. It was a wonderful team effort.

We are still looking to build sufficient numbers to move to a third Kindergarten class in 2017 and I would encourage you to actively ‘spread the word’ and invite any families you know of, with children starting school next year to make contact with the School office to discuss enrolment opportunities.

Year 1 students, teachers and parent supervisors are very excited about their Year 1 Camp which will be held this Thursday and Friday at Dubbo. This is always a very memorable experience for the children and one that helps them in so many areas, as they gain confidence, build their independence, explore new experiences, strengthen their social skills and share learning opportunities outside the classroom. I am looking forward to sharing in the second half of this special excursion.

Kindergarten students also will be involved this week in their Kinder Sleepover, one of those wonderful ‘rites of passage’ through the Primary years at Scone Grammar School. This experience gives the children a chance to be away from home (sometimes for the first time) in a safe environment where they already feel comfortable, with friends they enjoy being with and where they are confident enough to try some new activities along the way.

I do wish all the Kindergarten and Year 1 students (and their teachers) a wonderful time on both activities.

Term 3 Parent Teacher Interviews are scheduled in Week 9. Information has been sent out via email and also via the SGS Skoolbag App, including details of how to make bookings. Details of dates and times are outlined below:

**Week 9**

<table>
<thead>
<tr>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Kindergarten</td>
</tr>
<tr>
<td>3:30pm-6:30pm</td>
</tr>
<tr>
<td>Primary (Yrs 1-6)</td>
</tr>
<tr>
<td>3:30pm-5:30pm / 6:00pm-7:30pm</td>
</tr>
<tr>
<td>Secondary (Yrs 7-12)</td>
</tr>
<tr>
<td>4:00pm-6:00pm / 6:30pm-8:00pm</td>
</tr>
</tbody>
</table>

**Online Bookings opened on 6.9.2016.**

Please note the interview time allocated for Primary (K-6) class teachers is 15 minutes. (The spreadsheet is in 5 min increments but will block out 3 slots when your interview is booked).

We look forward to sharing with you.

All Year 5 and Year 6 students will have opportunity to share in a Secondary Experience Day, on Friday, 16 September. Students should wear SGS sports uniform. They will share in a rotation of five different Secondary class experiences, finishing with a BBQ lunch together.

A number of Year 6 students visited the Black Coal Cup Golf Day on Tuesday, to show our support as a School community for this valuable local fundraising activity. They were able to speak with the co-ordinator, Mr Joe Matthews, meet some players from the Newcastle Knights, catch up with our School staff team as they played and also participate in a live radio interview with Power FM. I was delighted to be able to go down with the students, who were all wonderful ambassadors for our School.

**Good Humour for the Week** (Special thanks again to Lottie Firth)

- Why did the coffee file a police report? It had been mugged!
- What do you always get on your birthday? Another year older!
- What do cats like to eat on their birthday? Mice-Cream and cake!

Congratulations to Austin Hill (Year 3 Blue), Nick Gallagher (Year 4 Blue), Harry Doughty (Year 1 Gold), Bailey Doughty (Year 4 Blue) and Emily Turner (Year 6 Gold), who are all celebrating birthdays this week. I do wish each of these students all the best as they enjoy this special day and share the time with their family and friends.
Scone Grammar School Artshow 2016
Cocktail Evening Friday 14 October 2016 @ 6.30pm
MPR, Scone Grammar School
Guest speakers: Hanna Kay - renowned local artist
Cecilija Rubenis - past SGS student

Cocktail Evening
Tickets: $25 per person, includes gourmet delights by Grammar Grind
Tickets purchased online: www.trybooking.com/227773
Complimentary drink on arrival, cash bar
Entertainment by Voiceworx and SGS Music Students

Saturday Morning Viewing
15 October, 2016
10.00am to 12.30pm Coffee and Cake Available

Silent Auction of Major Artworks at the Cocktail Evening. Works from The Yellow Cottage Staff, Kindergarten, Year 6, Year 7, Year 8 and selected staff members.
A call out to our SGS Community – looking for ‘products’ or ‘skills’ which can be offered as auction items at the Sneak Peek Cocktail Party in the STLC on the evening of September 23. Would love to hear from you. All suggestions gratefully received.
Please contact Alice Forsythe on 6545 3131 or aforsythe@sgs.nsw.edu.au
From the Chaplain

Resilience is about coping well (healthily) with what life throws at us. It is about being strong inside and able to adapt well to changes and difficulties. It is about thriving in life, despite the circumstances. Sound educational psychology teaches us that children who are resilient will be able to cope better with problems, learn more, they will have better health and they will be happier and more fulfilled. They will also be less likely to develop emotional problems like depression or anxiety.

Resilience is not just something you have or don’t have. The good news is that we can help all children to become more resilient. We can’t protect children from all the things that may cause them distress throughout their lives. But we can help children become more resilient so that they are more able to cope with life’s uncertainties and problems. And all young people, no matter what their background, will have to face problems and changes in their lives. Our support is really important in helping children become more resilient.

As we partner with you, and seeking God’s help in this responsibility, I encourage you to read this article about building resilience: http://www.kidsmatter.edu.au/families/enewsletter/how-build-your-child%E2%80%99s-resilience

Weekly Chapel Bible passages and relevant links can be found at twitter.com/sgschapel

In Prayer this week:
Reflect on: 2 Timothy 1:7

Give thanks for: God’s goodness in sending us Jesus, the resurrection and the life, so we can have a way to be friends with God; Parents, teachers and supporters who truly care for us; our K-12 camp and extracurricular activities at SGS
Pray for: For the school building project; For families and students who are ill or struggling at the moment: Year 2 and Year 8 students; For your son or daughter’s teacher/s! (specific prayer requests can be sent to prayers@sgs.nsw.edu.au to be prayed for by our weekly prayer group- not published in newsletter)

Caring for the individual
LET’S HELP ‘RUN THE RACE’ WITH REV NATE

PURPOSE
Mental Health Awareness is a significant factor in the ongoing wellbeing of our school community. At SGS we believe that student wellbeing and student learning go hand in hand. You can’t have one without the other. By supporting Rev Nate, Where There’s A Will Foundation will help us upskill SGS teaching staff in student mental health and wellbeing and first aid.

WHERE THERE’S A WILL FOUNDATION
The focus of local charity Where There’s A Will Foundation, is to provide support to schools in the Upper Hunter in delivering recognised mental health programs from Preschool through to Year 12. All children and adolescents should feel safe, valued and heard.

DONATE NOW
Click on www.ozcrowd.com/campaign/3061 and make your donation today. Let’s help motivate Rev Nate in his running endeavours which will also enable us to work with local charity Where There’s A Will Foundation in ensuring SGS is a leading school in managing student health and wellbeing.

Two years at Preschool is the ideal way to prepare your child for School.

At The Yellow Cottage we are committed to the importance of running a Beginners Class on Monday/ Tuesday and Thursday/ Friday. These groups are for children three and four years old in their first year at preschool. At the Yellow Cottage we have seen the benefits for the children who have been part of our preschool for two years before heading off to school. Some younger children may spend two years in this group before heading into our Transition Group. The Transition Programme is specifically designed for children in the year before they head off to “big school”. We encourage our families to consider a two day programme at the Beginner’s stage. We have found the two days help the children settle into preschool more quickly, develop social connections and build relationships with staff. When attending two consecutive days the children are part of a rich play-based programme based on the children’s interests. They have consistent staff, room and preschool routine.

Current research from around the world informs us of the benefits of preschool for three year olds.

Many European countries, including France, Germany and Norway, have provided universal preschool for three and four year olds for decades. More recently, the UK and New Zealand have made moves to join them.

Research from the UK shows that attending two years of preschool improves children’s readiness for school more than one year’s attendance, with particular impacts on their early literacy and social and emotional skills.

And 16 year olds who attended at least two years of preschool were three times more likely to take a higher academic pathway in post secondary school.

Last Wednesday we welcomed the Kindergarten Students and Parents of SGS 2017.

It was a wonderful day!

There were smiling faces on the young and younger, everywhere to see.

SGS Parents and Friends, we really do have a very special school! I have been approached by many parents in this last week who shared their thanks and praise for the school community.

Special thanks to our current Kindergarten Class Parents who catered for Morning Tea and a big thanks to those who served our new families. Thank you to Mrs Pip Baker for speaking and sharing her advice on all things Uniform. It was a wonderful reminder of the fantastic service the P & F Clothing Shop provides. I would also like to thank the Year 5 Students and Teachers for a fabulous day of fun for our new boys and girls.

To see the children leaving "big school" with their framed photo, balloon and book (thank you Jody Shearman) and more importantly with their beaming smiles was a real "warm, fuzzy moment" and one that filled me with great pride to be a member of the SGS family.

Finally, to Mrs Julie Jones and Mrs Sally O'Regan - Congratulations, you really are in a class of your own. The way in which you informed the parents but emphasised that this is very much a collaborative partnership between home and school where their child will be nurtured and feel a strong sense of importance and belonging.

Diana Gillett
President
Scone Grammar School P & F

The next P & F Meeting

The next P&F meeting will be held next Tuesday, 13 September at 6pm in the SGS Library.
On Thursday, 1 September we celebrated all the creativity and hard work of our Year 12 students across the subjects of Visual Arts, Music, Industrial Technology and Design and Technology with our annual HSC Showcase Evening. The exhibition viewing opened the evening where the SGS community were able to view the practical projects which spanned from a Grandfather Clock and Skateboards to drawings and sculpture. The students’ creative thinking was also on show with visitors able to browse through the students’ Visual Arts Process Diaries and Design Portfolios. The celebrations then moved to the Music room where students wowed the audience with their skills in connecting with the audience using their instruments of Guitar, Clarinet and Trumpet. At the exhibition there was standing room only and prior to the music performance extra seats were needed to be found. This shows that our SGS community strongly supported our Year 12 students’ creativity and determination and shared in celebrating these efforts with the students.

The night was enhanced further by the fabulous catering by Mrs Lambley and her Hospitality Team. Thank you to Mr Buckley, Mr Noble and Mrs Butters for the support and guidance they have offered our senior students over their studies.

Mrs Megan Wisemantel  
Head of TAS and Creative Arts
**MathsINSPIRATION excursion**

On Friday, 19 August, 85 students in Years 8, 9 and 10 and 4 teachers, travelled to Newcastle to see the much awaited MathsINSPIRATION Show. We were entertained for over two hours by three very clever and funny Mathematicians from England.

Matt Parker (known as the “stand-up mathematician” because he actually is a comedian as well as a mathematician and has had a sold-out comedy show at the Edinburgh Festival Fringe) showed us the mathematics behind solving a Rubik's Cube, introduced students to the 3D number plane, had us imagining a 4D cube and shared the apparent magic of the famous Moebius strip. His hat, resembling a beanie (and knitted by his mum!) is in the shape of a Klein bottle which is a twisted torus in the same way that a Moebius strip is a twisted loop. Making it truly unique, the hat has the added feature of being knitted in rows of different colours that correspond with the first few decimal places in the famous number pi!!

Ben Sparks (an accomplished musician as well as mathematician) used the lyrics of Sting's 1990's song “Shape of my Heart”, to teach us about the mathematics of chance upon which gambling is based. Sting's song is about a gambler finding beauty in the hidden laws of probability that govern the game of poker. Ben demonstrated the importance of being informed and always investigating the odds before making a bet. It was a surprise to learn that in a group of 70 people, there is a 0.999... chance of two people sharing a birth date even though there are 365 days in a year. At the end of his performance, we were treated to a performance of Sting's song.

Colin Wright had us all caught up in the mathematical patterns of juggling different numbers of balls. He showed us how spotting patterns can help in a variety of situations, including the invention of new juggling tricks. He was an excellent juggler as well as mathematician!

It was a wonderful day of seeing how Mathematics is actually involved in so many aspects of our lives and that Maths can actually be fun! At Intermission, and again at the end, students were able to interact with the speakers and ask questions.

We look forward to making this an annual event. Thank you to MANSW for providing us with the opportunity to experience such a fun day of Maths.

Sally Sim, Leah Steedman, Mardi White, Neil Bustos.

---

**Da Vinci Decathlon**

On 25 August, a team of Year 5 and a team of Year 6s travelled up to Armidale to compete in the Da Vinci Decathlon. We left school at 2:30 and arrived at Armidale at about 6:00. We stayed at PLC for the night. After we left PLC we were heading for TAS where the Decathlon was being held. Over the day we participated in English, Maths, Philosophy, Engineering, Cartography, Art and Poetry, Creative Produces, General Knowledge and Code Breaking. It was our most successful Da Vinci yet. The Year 5 team gained a first for Art and Poetry, a third for Cartography and General Knowledge. The Year 6 team gained a first in Art and Poetry, a first in Engineering, a second for Cartography, a second for English, and thirds for Code Breaking and General Knowledge. The Year 6 team came second overall. We would like to thank Mr Feeney for driving us up and Miss Dowdell for providing us with opportunity to compete and running EnEx every week after school.

Alexis Walsh

Last Wednesday a group of Scone Grammar School students competed at the AICES Athletics Championships. There were 63 other schools competing at the event, making it a tough and challenging championship. Our students were fantastic on the track and field but also with their support for one another throughout the day. It was wonderful to see how close our school is and the friendships that build through sport.

We had a number of students place in the top 3 for their event and will now go on to compete at the CIS Athletics Championships on 21 September. Congratulations to the following students:

HRIS Primary Netball Gala Day

WINNERS ARE GRINNERS!!!!

What a terrific day of competition our two Netball Teams had. This year we had a Junior Team consisting of Year 3/4 students and a Senior Team consisting of Year 5/6 students. Our players have been training during sport time this term and had a number of carnivals in the lead up to HRIS, including National Primary Games and the SGS Rugby Netball Challenge.

Our 3/4 girls played some tough games in their pool, winning a couple and losing a couple, before they headed into the semi-finals. Our girls improved tremendously throughout the day winning their final to place 7th overall out of 14 teams.

The Senior Division had 5 games to play before finals. The girls won all games except their second game against St Columba, which saw them go down. By the end of pool games St Columba had also had a loss which put us equal first and as a result of points scored throughout the day we placed first going into semi-finals. The final match saw the girls face St Columba again, only this time the girls were determined for a win. With a score of 10-6 our girls came through on top.

This is the second year in a row our school has placed 1st in the 5/6 division and the girls should be very proud of their achievements.

Congratulations to all the players!!

Miss Day
The Upper Hunter Education Fund

The primary role is providing financial assistance and mentoring to young people to tertiary education from the Muswellbrook and Upper Hunter local government areas. Selection criteria are primarily needs-based as it is financial assistance not a traditional scholarship.

Applications can only be made by residents of Muswellbrook and the Upper Hunter Shire (excluding Merriwa). Since its inception in 2008 over $360,000 has been given out to over 200 young people from Muswellbrook, Denman, Aberdeen and Scone to assist with their tertiary education expenses.

HSC Study Camps are also conducted in July and September - over 2 days at each of Aberdeen and Singleton and are open to any current HSC candidate interested to attend. The camps are free to attend and lunch is provided.

For further information please go to: www.upperhuntereducation.com.au

Do you love ….. Cricket

Scone Bulls Cricket Club are looking for players who are 15 years or older to play in their senior cricket teams. The competition starts on the 12th October 2016 and ends in March 2017. It’s a family friendly club where everyone is welcome with all ages and skills levels. For more information call or message Gavin Newton on 0422 848 007 or Cal Murray on 0457 403 867.

Term 3 Kids Club & Explorers are on Mondays

What is it?  Kids club... 4 afternoons of fun - games, craft, activities, food and finding out more about Jesus

Explorers ...For older children
Exploring questions and what the Bible really says, activities, food and fun.

Who’s it for?  Kids club is for children in years K – 3
Explorers is for children in years 4 -6

When is it?  3.30pm – 5pm on Mondays August 29, September 5, 12 & 19

Where is it?  St Luke’s Hall, Scone.

Kids club and Explorers have afternoon tea together and may share some activities but will be in separate groups both at St Luke’s Hall.

Children from Scone Grammar School can be accompanied to the hall.

Please state arrangements clearly on registration form.

How do I join?  Registration forms are attached to the flyer. Flyers are available at and should be returned to the Primary school office. There are limited places. These are allocated in date order when completed forms are received. All children must be registered in advance by Tuesday 23 August.

How do I find out more?  Phone Kerry on 6545 8141

HOST AN EXCHANGE STUDENT IN 2017

Our Year 12 Scone Grammar School experience is swiftly coming to an end. As one of our final acts as high school seniors we will present the school with a gift to show our appreciation for the support the school community has given us through the years.

We will be hosting a car wash in order to raise funds for this cause. This will occur on Monday 12 and Wednesday 14 September, from 4:00pm onwards, while Secondary Parent/Teacher interviews are occurring. Year 12 is encouraging parents and any friends of the school to drop their car off at the Yellow Cottage Car Park off Aberdeen Street and get it washed for $10. Also, thanks to Mrs Lambley and the Year 12 Hospitality Students, the Grammar Grind Cafe down in the Trade Training Centre will be open and selling hot drinks. We can’t wait to see everyone there!

Canteen Help Needed

A shout out to all SGS families. We are struggling at the moment to fill our canteen roster. We would greatly appreciate any new volunteers as we are working at least two days a week without helpers, this flows on to the children because the canteen does not function as efficiently as we would like. A day a term would be of great assistance and would go a long way to helping us with this situation.

You can contact us directly on 6545 3131 ext. 1514.

Looking forward to hearing from you.

Jenny and Fiona
