Implementation

Our Privacy Notice and Disclosure Statement are at the end of this Policy.

Our Service practices are consistent with the Australian Privacy Principles.

Collection of personal information

We collect personal information if it is necessary for us to carry out Service operations or to comply with our legal obligations. This includes information required to comply with the National Education and Care Law and Regulations and to promote learning under the Early Years Learning Framework.

Information may also be collected to comply with other Laws including State or Territory Health Laws.

During the enrolment process the Nominated Supervisor will:

- explain what personal information we need to collect, why we need to collect it, whether the information is required or authorised by Law and how it may be shared.

Personal information includes name, address, date of birth, gender, family contact details, emergency contact details, authorised nominee details, parents' occupations, cultural background, home language, religious beliefs, payment details, child care benefit information, immunisation records, medical information, medical management plans, photos of children and family members and information about children's strengths, interests, preferences and needs, including special needs. Personal information also includes "government related identifiers" like Medicare numbers and CCB references.

- advise families about our Privacy and Confidentiality Policy and how to access it.
- attach a copy of our Privacy Notice to our Enrolment Form and other forms we use to collect personal information.
- verbally advise children's emergency contacts and authorised nominees that we have some of their personal information on file and explain the advice in the Privacy Notice.
- explain the advice in the Privacy Notice to individuals who provide personal information verbally (eg by phone).

We usually collect personal information directly from a parent or guardian either in writing or verbally, for example during enrolment, when completing waiting list applications, or as we establish a partnership with families in caring for and educating a child. We may also collect information through our website, social media page, Family Law court orders or agreements, special needs agencies and training courses.

We may occasionally request information from other organisations which you would reasonably agree is necessary for us to educate and care for a child. For example, we may request a copy of a child's immunisation records where they are transferring to us from another Service, or where we request information about a child from a special needs educator or organisation. We will not request information without obtaining the consent of the individual (or parent) concerned.

In most cases, if we are unable to collect relevant personal information, we will be unable to enrol a child at the Service.

The Nominated Supervisor will advise individuals about any unsolicited personal information we receive from other organisations and keep because it is directly related to our functions and activities (unless we are advised not to by a Government authority). The Nominated Supervisor will destroy any unsolicited personal information that is not directly related to our Service operations unless it adversely impacts the health, safety and wellbeing of a child or children at the service. If

this happens the Nominated Supervisor will contact the appropriate Government authorities and take action as directed while protecting the confidentiality of the individuals concerned.

Use or disclosure of personal information

We will not use personal information for any purpose that is not reasonably needed for the proper or effective operation of the service. Personal information may be accessed by and exchanged with staff educating and caring for a child or by administrative staff.

We do not disclose your personal information to others unless you would have reasonably expected us to do this or we have your consent. For example, personal information may be disclosed to:

- emergency service personnel so they can provide medical treatment in an emergency
- special needs educators or inclusion support agencies
- volunteers, trainees and work experience students (with consent)
- trainers or presenters if children participate in special learning activities
- organisations related to the Service (eg other Services)
- another Service to which a child is transferring where you have consented to the transfer.
- the new operator of the Service if we sell our business and you have consented to the transfer of enrolment and other documents listed in Regulation 177 of the National Education and Care Regulations.

We may disclose personal information where we are permitted or obliged to do so by an Australian law. For example, personal information may be disclosed to:

- authorised officers when our service is assessed and rated under the National Education and Care Law and Regulations
- Government employees (eg for CCB, Immunisation, Medicare purposes)
- software companies that provide child care management systems
- management companies we may engage to administer the Service
- software companies that provide tailored computer based educational tools for children
- lawyers in relation to a legal claim.
- officers carrying out an external dispute resolution process
- a debt collection company we use to recover outstanding fees
- authorities if we are taking action in relation to unlawful activity, serious misconduct, or to reduce or prevent a serious threat to life, health or safety.

We do not disclose personal information to any person or organisation overseas or for any direct marketing purposes.

Quality of personal information

The Nominated Supervisor will take reasonable steps to ensure the personal information we collect, use and disclose is accurate, current and complete. Educators and staff will:

- view original sources of information if practical when information is collected.
- collect and record personal information in a consistent format, for example using templates for enrolment, incident, injury, trauma and illness and administration of medication.
- record the date personal information was collected or updated.
- update information in our physical or electronic records as soon as it's provided.

In addition the Nominated Supervisor will:

- regularly remind families via newsletters, emails or through displays on the Service notice board to update their personal information including emergency contact details and their child's health information.
- ask parents to update their enrolment details annually, or whenever their circumstances change.
- verify the information is accurate, current and complete before disclosing it to any external organisation or person.
- ensure documentation about children and families is based on facts and free from prejudice.

Security of personal information

The Nominated Supervisor will take reasonable steps to protect personal information from misuse, interference and loss, unauthorised access, modification or disclosure. These steps include:

- taking responsibility for the security of personal information and regularly checking the practices implemented to protect it. This will include management of access privileges to ensure only people who genuinely need to see personal information can access it.
- ensuring information technology systems have appropriate security measures including password protection, anti-virus and 'malware' software, and data backup systems.
- ensuring physical repositories of personal information are secure in the Nominated Supervisor's Office in a filing cabinet which is locked when a Responsible Person is not present.
- ensuring all educators and staff are aware of their obligations in relation to the collection, use and disclosure of personal information, through activities like mentoring, staff meetings or on-line training courses.
- requiring all educators, staff, volunteers and work experience students to sign a 'Confidentiality Statement' acknowledging that personal information:
 - can only be accessed if it is necessary for them to complete their job

 - must be stored in compliance with service practices which safeguard its security.
- ensuring records which we don't need to keep, including unsuccessful job applications and records which fall outside the record keeping timeframes under the National Education and Care Law and Regulations (refer to our Record Keeping and Retention Policy) are destroyed in a secure way as soon as possible by, for example, shredding, incinerating or permanently deleting

electronic records including archived or back-up copies. Where possible, the destruction of records containing personal information will be overseen by two staff members.

- 'de-identifying' personal information which may come into the public domain. For example, removing identifying names or details from newsletters etc.
- ensuring staff comply with our Social Media Policy (for example by obtaining authorisation from a child's parents before posting any photos of their child on the Service social media page, and not posting personal information on any social media page which could identify children or families.)
- ensuring confidential conversations with parents or with staff are conducted in a quiet area away from other children, parents and staff.

Access to personal information

Individuals may request access to their (or their child's) personal information and may request the correction of any errors. These requests may be made to the Nominated Supervisor by telephone on 65453389 or email khails@sgs.nsw.edu.au or by mail to 69 Liverpool Street Scone, NSW, 2337.

Personal information will be provided as soon as possible, and no later than 30 days from a request. We will provide the information in the form requested, for example by email, phone, in person, hard copy or electronic record unless it is unreasonable or impractical to do this for example due to the volume or nature of the information.

The Nominated Supervisor will always verify a person's identity before providing access to the information, and ensure someone remains with the individual to ensure information is not changed or removed without our knowledge.

There is no charge for making a request to access the information. However, we may charge a reasonable cost for staff, postage and material expenses if the information is not readily available and retrieving the information takes a lot of time. We will advise you of the cost and get your agreement before we proceed.

There may be rare occasions when we are unable to provide access because we believe:

- giving access would be unlawful, the information relates to unlawful activity or serious misconduct, or it may prejudice the activities of a law enforcement body.
- there is a serious threat to life, health or safety.
- giving access would unreasonably affect the privacy of others.
- the request is frivolous or vexatious, for example to harass staff.
- the information relates to legal proceedings (eg unfair dismissal claim) between the Service and the individual.
- giving access would reveal sensitive information about a commercial decision.

We may, however, provide the information in an alternative way for example by:

- deleting any personal information which cannot be provided
- providing a summary of the information
- giving access to the information in an alternative format
- allowing the individual to inspect a hard copy of the information and letting them take notes.

We will advise you promptly in writing if we are unable to provide access to the information, or access in the format requested. The advice will include the reasons for the refusal to provide the information (unless it is unreasonable to do this) and information about how to access our grievance procedure.

- correct the information, or include a statement if requested, as soon as possible.

We will not charge you for making a request to correct their personal information or for including a statement with your personal information.
