

## Excursion Policy

---

### NQS

QA2	2.3.1	Children are adequately supervised at all times.
	2.3.2	Every reasonable precaution is taken to protect children from harm and any hazard likely to cause injury.

### National Regulations

Reg	100	Risk assessment must be conducted before excursion.
	101	Conduct of risk assessment for excursion.
	102	Authorisation for excursion.

### Aim

The Yellow Cottage acknowledges the value of relevant excursions in allowing children to gain a greater insight of the society in which they live, and learn from these experiences. Our service will actively seek to minimise any risks associated with excursions, and respond promptly and appropriately to any emergency whilst on an excursion. Educators will educate children and families regarding safe road (or other transport) and play practices.

### Implementation

#### Excursion Risk Assessment and Planning Process

- The service must conduct a risk assessment prior to an excursion taking place.
- Risk assessments are only required once if the excursion is a regular outing. Regular outings are walks, drives or trips to places that we visit regularly and which always have the same risks.

- **The risk assessment must be recorded using the Excursion Risk Assessment Form. Parents will be notified on the Authorisation for Excursion Form that they can access the Excursion Risk Assessments prior to the excursion upon their request. The service must comply with these requests and make all information available to parents if requested.**
- **Using the Excursion Risk Assessment Form attached to this policy, the service must take into consideration the following –**
  - **Any risk that the excursion may pose to the safety, health and wellbeing of any child and identify how these risks will be managed and minimised.**
  - **Any water hazards.**
  - **Any risks associated with water-based activities.**
  - **Transportation (to and from).**
  - **The ratio of adults and children which must comply with the ratios in the Staffing Arrangements Policy.**
  - **Specialised skills required (such as life-saving skills).**
  - **Proposed activities.**
  - **Proposed duration.**
  - **Any medical conditions that need to be considered and managed for each child with specific health needs.**
- **The Risk Assessment Checklist must also be conducted prior to any excursion.**
- **A parent or authorised nominee must provide a written authority for each child who is attending the excursion using the Authorisation for Excursion Form. This authorisation only needs to be obtained once every 12 months for regular excursions. (e.g visits to the SGS and the Chapel)**

### **Transport Considerations**

**The means of transport must be stated on the permission note.**

**Buses – ensure that the seating capacity as displayed on the compliance plate is not exceeded. All children must sit on seats, preferably with, or close to, an adult. Seat belt guidelines must be followed depending on the bus. If the bus has seat belts, they must be worn at all times.**

**Trains – contact the station prior to the excursion to inform them of the time you will be travelling, the destination and the number of children and adults who will be travelling. Arrangements should be made to arrive at the station with an adequate amount of time to allow for safe boarding. This will allow the station to inform the train guard so that he / she can hold the**

**train for the period of time for safe boarding and alighting. All children should be seated at all times, with an adult close by. All children should be seated in the one carriage, if possible.**

**Cars – Any motor vehicle that is used to transport children on an excursion (other than a motor vehicle seating more than nine persons) is fitted with child restraints and/or seatbelts that are appropriate for the age and weight of each child, that conform to the Australian Standards, and are professionally installed or checked by an authorised restraint fitter.**

### **Insurance**

Any excursion planned must be consistent with the requirements / exclusions of the Public Liability Cover held by the service.

## Excursion Risk Assessment Form
