Successful applicants to the Elite Performance Pathway should be aware that regular attendance and participation in coaching and training sessions conducted by Scone Grammar School Coaching staff is compulsory and is a condition of placement into the Pathway.

GENERAL INFORMATION

Coaching occurs at school or at local facilities.

Each sport has a mentor/teacher attached whose role is student welfare and the facilitation of communication between coaches, parents and the School.

Student progress in the Elite Performance Pathway will be evaluated during the year. This will occur during our mid-term and end of year review. Information regarding each evaluation will be sent to parents. As a student-athlete in the Elite Performance Pathway, it is imperative that all participants maintain a consistent level of academic and sporting achievement. Coaches of each targeted sport will monitor this regularly to ensure we maintain a positive and professional culture at the School.

Scone Grammar School encourages all successful Elite Performance Pathway applicants to continue their membership with their current club.

Scone Grammar School is proud of the achievements of their students. Frequently, these achievements will be celebrated via school communication platforms such as our weekly newsletter, social media and at our annual Speech Day Ceremony.
